AMBER HOBBS, Town Clerk

Town of Smyrna
Town Council Meeting
Agenda Summary

Agenda Item Number 5.a.
Department: Fire Department
Date: July 14, 2026

Subject:
Approval of the terms of, and authorization for the Mayor to execute, a contract with FirstDue for purchase of a record management system.

Fiscal Impact:
Phase I of the contract, which includes one-time configuration and implementation fees as well as a pro-rated service period, totals $22,867.00. This was budgeted in the FY-2027 Operating Budget under Contractual Services, line item 110-42200-290. The contract pricing reflected in the proposal includes a first-year implementation and pro-rated subscription cost of $22,867 and an annual subscription amount of $42,550 thereafter, subject to the contract terms.

Contract Type:
Original Contract

Contract Term (if applicable):
The contract pricing reflected in the proposal includes a first-year implementation and pro-rated subscription cost of $22,867 and an annual subscription amount of $42,550 thereafter, subject to the contract terms.

Background:
Over the past several months, Smyrna Fire Department staff conducted an extensive evaluation of multiple software vendors and platforms to identify the best long-term solution for the department's operational, reporting, planning, and administrative needs. This review included demonstrations, feature comparisons, implementation considerations, interoperability capabilities, and discussions with peer agencies. Following this process, FirstDue was identified as the platform that best meets the department's current and future operational requirements.

The proposed agreement includes implementation services as well as a pro-rated quote for services as part of Phase I implementation. The overall agreement provides for a four-year subscription term with implementation services beginning in Fiscal Year 2027.

An additional benefit of selecting First Due is that several neighboring Rutherford County fire and emergency service jurisdictions have already implemented the platform. Utilizing the same software solution will improve interoperability and facilitate the

seamless exchange of operational data, pre-incident planning information, response information, and other critical records between agencies during mutual aid incidents and regional emergency responses.

The Town's Information Technology Director has reviewed the proposed software platform, and has recommended proceeding with the implementation of First Due.

The Town Attorney has reviewed the agreement and all associated contract documents and has approved the contract as well.

Phase I and II of contract implementation, both to occur during FY-2027, totals $50,950.00. This will be funded through the approved FY-2027 budget divided between the Fire Department Operating Budget and the CIP.

Summary:
Phase I of the FirstDue implementation process is to begin upon implementation of the FY-2027 budget. Phase II will begin in the second quarter of FY-2027.

Recommended Council Action:
Staff recommends approval of the agreement with First Due and authorization for the Mayor to execute the contract documents necessary to implement the software platform for the Smyrna Fire Department.

STATEMENT OF WORK

1. INTRODUCTION

1.1 Purpose

This Statement of Work ("**SOW**") is entered into pursuant to, and forms part of, the Agreement between Locality Media, LLC dba First Due ("**First Due**") and the customer identified in the applicable Quote ("**Customer**"). As contemplated by the General Terms and Conditions (the "**General T&Cs**"), the Agreement consists of (i) one or more written quotes, order forms, or similar ordering documents issued by First Due and accepted by Customer (each, a "**Quote**"), (ii) this SOW, and (iii) the General T&Cs.

This SOW describes the specific implementation-related services to be provided by First Due in connection with Customer's licensed use of the products and services identified in the applicable Quote (the "**Purchased Products**"). The purpose of this SOW is to define, at a high level, the scope, assumptions, responsibilities, and limitations applicable to such implementation services, including configuration, training, data migration, integrations, and transition to ongoing customer success, as applicable.

This SOW is intended to supplement the Quote and the General T&Cs solely with respect to the scope, timing, assumptions, deliverables, and fees for the implementation services described herein and shall not modify, expand, or supersede any other rights, warranties, obligations, or risk-allocation provisions set forth in the General T&Cs or the applicable Quote.

1.2 Scope

Subject to the terms and conditions of the Agreement, First Due shall provide the implementation services expressly described in this SOW (the "**Implementation Services**") for the Purchased Products identified in the applicable Quote. The Implementation Services are limited to the configuration and enablement of existing First Due functionality, implementation assistance delivered in accordance with First Due's standard methodologies, and activities reasonably necessary to support Customer's initial deployment of the Purchased Products.

For the avoidance of doubt, any services, functionality, deliverables, integrations, configurations, reports, workflows, data preparation, remediation, customization, or professional services not expressly described in this SOW or the applicable Quote are outside the scope of the Implementation Services. No obligations shall be implied based on industry standards, prior discussions, proposals, marketing materials, or Customer expectations.

First Due does not guarantee that the Purchased Products, whether alone or as implemented, will achieve any specific business outcome, regulatory result, operational metric, or workflow preference unless such commitment is expressly stated in writing in this SOW or the applicable Quote.

The Implementation Services do not include software development, custom feature creation, third-party system remediation, data cleansing or correction, legal, tax, or compliance advice, or ongoing managed or advisory services, unless expressly stated in the applicable Quote or this SOW.

Any modification to the scope of the Implementation Services, implementation timeline, or applicable fees shall require a mutually executed written change order in accordance with the Agreement. No verbal statements, email communications, purchase orders, or informal requests shall modify this SOW or the Agreement.

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

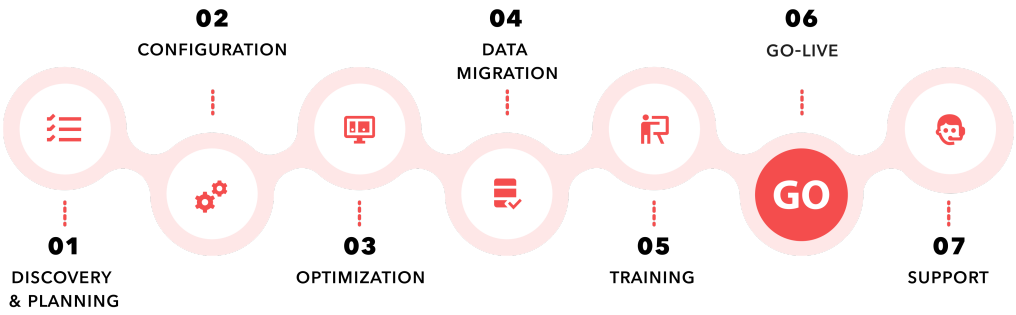

For Purchased Products offered as part of an "**Essentials**" or similar bundled implementation offering, the scope of Implementation Services is limited to the configuration and enablement of the modules and functionality expressly included in such bundle, as identified in the applicable Quote, and must be completed within the applicable Implementation Term described in Section 8.2. Any request to implement additional modules, defer implementation of included modules beyond the applicable Implementation Term, or materially alter the sequencing or scope of the bundled Implementation Services shall be treated as a change in scope requiring a written change order or a new statement of work, as determined by First Due.

2. IMPLEMENTATION

2.1 Overview

First Due shall perform the Implementation Services using its standard implementation methodology (generally depicted below), which may include a combination of structured (waterfall) and iterative activities. The Implementation Services are intended to support Customer's initial deployment of the Purchased Products and may include discovery, configuration, optimization, data migration, training, and go-live support, as applicable.

The parties acknowledge and agree that implementation timelines, sequencing, and activities are dependent upon Customer's timely performance of its obligations under this SOW, including the provision of information, access, approvals, and resources. All implementation milestones represent target objectives only and are not guarantees of completion by any specific date. First Due may reasonably modify the order, timing, or manner of implementation activities to maintain project efficiency or address dependencies, provided that the overall scope of the Implementation Services is not materially reduced.

2.2 Implementation Resources

First Due shall assign implementation personnel based on the Purchased Products, project complexity, and resource availability. Titles and role descriptions are provided for reference purposes only, and First Due may substitute personnel with comparable qualifications at its discretion.

First Due's implementation resources may include an implementation manager acting as the primary point of contact during implementation, product specialists supporting configuration and optimization of specific modules or functional areas, technical specialists supporting data migration and integrations, training personnel coordinating training activities, and a customer success manager participating during later stages of implementation to support transition to post-go-live engagement.

Nothing in this SOW shall be construed to require the assignment of specific individuals, minimum staffing levels, or dedicated personnel unless expressly stated in the applicable Quote.

2.3 Implementation Phases

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

The Implementation Services may include the phases described below. The inclusion, sequencing, timing, and depth of each phase depend on the Purchased Products and scope identified in the applicable Quote and this SOW. The phases described below reflect First Due's standard implementation approach and are provided for planning and reference purposes only.

a. Discovery and Planning

Once the implementation project has been initiated, Customer will receive tailored discovery questionnaires designed to gather information reasonably necessary to support implementation planning. Following completion of such materials, the Implementation Manager will schedule a project kick-off meeting during which Customer will receive initial system access, be introduced to the project team, and receive an overview of the Purchased Products and the implementation plan. The Implementation Manager will also establish meeting cadence and outline next steps. Where applicable, planning sessions for data migration and supported integrations, including CAD integration, will also be conducted during this phase and may be led by a Technical Implementation Specialist.

- **Key Meetings:** Project Kick-Off; CAD Kick-Off (if applicable); Data Migration Planning
- **Milestones:** Project Kick-Off; Initial System Access
- **Customer Tasks:** Completion of discovery questionnaires
- **Deliverables:** Welcome communication; initial account setup; system login credentials

b. Configuration

Following completion of discovery and planning, First Due will schedule configuration sessions to configure the Purchased Products using available functionality and standard configuration options. Configuration sessions may be conducted by the Implementation Manager or an Implementation Product Specialist, depending on the module or functional area. Customer may be required to complete preparatory tasks in advance of configuration sessions. The number and duration of configuration sessions may vary based on product scope and complexity.

- **Key Meetings:** Module configuration sessions (generally one to two per module)
- **Milestones:** N/A
- **Customer Tasks:** Configuration preparation tasks, as applicable
- **Deliverables:** Initial configuration of applicable modules
- **Scope:** Purchased Products identified in the applicable Quote

c. Optimization and User Acceptance

Following initial configuration, Customer will be provided an opportunity to perform testing and user acceptance activities for configured modules. Optimization sessions may be conducted to review Customer feedback and make configuration-level adjustments. Configuration and optimization activities may occur iteratively or in parallel to maintain project momentum.

Customer acknowledges that optimization is limited to configuration-level changes and that feedback must be provided within the review periods communicated by First Due. Unresolved items may be documented as exceptions. Upon completion of optimization for a module or functional area, Customer may be requested to provide written acceptance or sign-off.

Customer shall review and either accept or provide written notice of material nonconformity within ten (10) business days after delivery of the applicable module or functional area (the "**Review Period**"). If Customer fails to provide written notice of material nonconformity within

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

the Review Period, or places the applicable module into production use, such module shall be deemed accepted for purposes of this SOW.

Any notice of nonconformity must identify the specific aspects of the delivered configuration that materially fail to conform to this SOW. First Due's sole obligation with respect to any timely and valid notice of nonconformity shall be to use commercially reasonable efforts to correct the identified nonconformity. Issues that do not materially impair use of the Purchased Products, or that arise from Customer data, third-party systems, or Customer-requested deviations, shall not delay acceptance.

- **Key Meetings:** Module optimization sessions (generally one to two per module)
- **Milestones:** Module acceptance and sign-off (one per module)
- **Customer Tasks:** User acceptance testing and feedback
- **Deliverables:** Optimized configuration resulting in Customer acceptance
- **Scope:** Purchased Products identified in the applicable Quote

d. Data Migration

Data migration activities may occur throughout the implementation and may include (i) initial data migration required to support configuration, (ii) migration of historical records during the implementation process, and (iii) a final data migration in connection with go-live. First Due's data migration team will review Customer's legacy data environment and provide guidance regarding extraction, mapping, and import using First Due's standard data migration practices.

Customer remains solely responsible for extracting and providing legacy data, ensuring the legality, accuracy, completeness, and quality of such data, and reviewing and validating migrated data within communicated timeframes. Not all historical data can or should be migrated, and standard data migration services do not include data cleansing, normalization, deduplication, correction, or remediation of data quality issues.

- **Key Meetings:** Data migration planning
- **Milestones:** Data migration sign-off
- **Customer Tasks:** Data extraction or access; data mapping assistance; review and approval of data loads
- **Deliverables:** Data migration plan; mapping assistance; data imports

e. Training

As implementation progresses toward completion, First Due will coordinate training activities intended to support Customer's understanding and adoption of the Purchased Products. Training may include administrator training conducted during configuration and optimization, as well as formal webinar-based or onsite training sessions. Customer may also be provided access to generally available training resources, including live training sessions and on-demand materials.

- **Key Meetings:** Training planning; training sessions
- **Milestones:** Training completion
- **Customer Tasks:** Coordination of personnel to be trained
- **Deliverables:** Training plan and training sessions

f. Go-Live Support

Once required configuration, optimization, training, and data migration activities have been completed or scheduled, First Due may support the go-live process. Go-live support may

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

include final planning, execution assistance, final data migration, and short-term post-go-live support. Go-live support is limited in duration and does not include ongoing operational management or indefinite support services.

- **Key Meetings:** Go-live planning; post-go-live check-ins
- **Milestones:** System acceptance; go-live
- **Customer Tasks:** Final testing
- **Deliverables:** Post-go-live implementation support (typically two to four weeks)

g. Transition to Customer Success

Following completion of the post-go-live support period or upon expiration of the applicable Implementation Term or Essentials Implementation Period (whether or not all Purchased Products have been implemented), responsibility for ongoing engagement will transition to First Due's customer success and support teams in accordance with the Agreement.

3. TRAINING

3.1 Training Services

Training services, if expressly included in the applicable Quote, are provided solely to support Customer's initial familiarization with and adoption of the Purchased Products in connection with the implementation described in this SOW. Training is limited to instruction regarding the operation and use of existing, generally available functionality of the Purchased Products as configured during implementation and does not include consulting services, business process redesign, regulatory analysis, compliance advisory services, certification of Customer personnel, or any form of legal, regulatory, or compliance advice.

The nature, format, scope, and quantity of training to be provided under this SOW shall be as expressly described in the applicable Quote or as otherwise mutually agreed by the parties in writing during the implementation process. Training may be delivered remotely or onsite, may include administrator-level instruction or end-user training, and may include access to First Due's generally available training resources, including recorded materials, documentation, and knowledgebase content, subject to availability.

3.2 Customer Responsibilities

Customer is solely responsible for identifying appropriate personnel to participate in training and for ensuring the availability, preparedness, and participation of such personnel in scheduled training sessions. Customer shall also be responsible for providing any facilities, equipment, system access, or network connectivity reasonably necessary for First Due to conduct training sessions, whether delivered remotely or onsite.

Failure of Customer personnel to attend or meaningfully participate in scheduled training sessions shall not relieve Customer of its payment obligations under the Agreement or the applicable Quote and shall not obligate First Due to reschedule such sessions or provide substitute training unless otherwise agreed in writing by the parties.

3.3 Limitations and Disclaimers

Customer acknowledges that training services are provided on an "as-configured" basis and do not guarantee user proficiency, system adoption, operational performance, or achievement of any specific business, regulatory, or compliance outcome. First Due does not warrant that training will result in compliance with any applicable laws, regulations, standards, or internal policies, all of which remain the sole responsibility of Customer.

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

Any training services requested by Customer that are not expressly included in the applicable Quote shall be deemed outside the scope of this SOW and shall require a mutually executed written change order, which may include additional fees and adjustments to the implementation timeline.

4. DATA MIGRATION

4.1 Standard Data Migration Services

As part of the Implementation Services provided pursuant to the Agreement, First Due shall provide standard data migration services to support Customer's initial deployment of the Purchased Products. Data migration services are intended solely to enable operational use of the Purchased Products at or around go-live and are not intended to result in a complete, exact, or forensic replication of Customer's legacy systems, databases, or historical data environment.

Standard data migration services may include planning assistance, guidance regarding data extraction, data mapping to First Due's standard import formats, and the loading of certain Customer data into the Purchased Products using First Due's standard tools and processes, as reasonably determined by First Due based on the nature, structure, format, and condition of Customer's data.

4.2 Customer Responsibilities

Customer acknowledges and agrees that Customer is solely responsible for extracting, preparing, and providing all data to be migrated, whether directly or through Customer's third-party vendors. Customer is responsible for the legality, accuracy, completeness, consistency, quality, and integrity of all data provided to First Due, including compliance with applicable laws, regulations, records retention requirements, privacy obligations, and internal policies.

Customer shall timely review and validate all migrated data and shall notify First Due in writing of any material discrepancies within the reasonable review period communicated by First Due. Customer's failure to timely review, validate, or object to migrated data shall constitute acceptance of such data for purposes of implementation.

4.3 Scope Limitations

Customer acknowledges that not all data from Customer's legacy systems may be suitable, necessary, or technically feasible to migrate. First Due does not warrant that all data fields, historical records, attachments, metadata, audit trails, system logic, or reporting constructs can or will be migrated.

Standard data migration services do not include data cleansing, normalization, deduplication, enrichment, correction of errors, reconstruction of historical workflows, validation against source systems, or remediation of data quality issues unless expressly agreed in writing by the parties pursuant to a change order. Any such additional services, if requested, may be subject to additional fees and timeline adjustments.

4.4 Migration Timing and Final Data Load

Data migration may occur in multiple stages throughout the implementation process, including preliminary data loads for configuration or testing purposes and a final data load in connection with go-live. Customer acknowledges that data entered into Customer's legacy systems following any data extraction or preliminary migration may not be included in subsequent data loads unless expressly agreed in writing.

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

Customer is responsible for coordinating timely access to legacy systems, third-party vendors, and technical resources as reasonably necessary to support data migration activities and acknowledges that delays in such access may impact the implementation timeline and sequencing.

4.5 Disclaimers and Risk Allocation

Customer acknowledges that data migration is inherently dependent on Customer-provided data and third-party systems. Except to the extent caused by First Due's failure to perform the migration process in material accordance with this SOW, First Due shall have no liability arising from errors, omissions, corruption, loss, or inaccuracy of data originating from Customer systems, Customer-provided data, or third-party sources.

Customer remains solely responsible for verifying the completeness and accuracy of migrated data prior to go-live, for maintaining backups of legacy data, and for satisfying any legal or regulatory obligations related to data retention, preservation, or auditability. Nothing in this SOW expands or modifies First Due's data protection, security, or confidentiality obligations beyond those expressly set forth in the General T&Cs.

5. INTEGRATIONS

5.1 Integration Scope

As part of the Implementation Services, First Due shall configure and enable the integrations expressly identified in the applicable Quote (the "**Integrations**"), using First Due's standard integration methods, connectors, or application programming interfaces, as applicable. Integrations are intended solely to support data exchange or interoperability between the Purchased Products and designated third-party systems and are limited to the functionality supported by First Due at the time of implementation.

Integrations shall generally be implemented during the configuration and optimization phases described in Section 2, unless otherwise reasonably determined by First Due based on technical dependencies, sequencing considerations, or third-party constraints. Certain integrations, including but not limited to CAD integrations, may require dedicated planning or configuration sessions due to their complexity and reliance on third-party systems.

No integrations are included unless expressly identified in the applicable Quote.

5.2 Customer Responsibilities and Dependencies

Customer acknowledges that the successful implementation and ongoing operation of any Integration is dependent upon Customer's third-party vendors, systems, configurations, permissions, data structures, network environments, and continued availability of third-party services. Customer is solely responsible for procuring and maintaining all required third-party systems, licenses, access credentials, approvals, and cooperation necessary to enable the Integrations.

Customer shall ensure that First Due is provided timely access to relevant systems, technical documentation, and knowledgeable personnel as reasonably necessary to support integration activities. Delays, failures, or limitations caused by third-party systems, vendors, or Customer dependencies shall excuse any corresponding delay in First Due's performance and shall not constitute a breach of this SOW.

5.3 Limitations and Exclusions

Customer acknowledges and agrees that Integrations are provided on an "as-available" basis and are limited to the data fields, workflows, and functionality supported by First Due and the applicable third-party systems at the time of implementation. First Due does not warrant that

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

any Integration will be uninterrupted, error-free, or compatible with future changes made by third-party vendors.

First Due does not control, and shall have no responsibility or liability for, third-party systems, vendors, outages, data inaccuracies, latency, security vulnerabilities, or changes to third-party interfaces, APIs, data schemas, or commercial terms. Any remediation, modification, or reconfiguration required due to changes or failures of third-party systems shall be outside the scope of this SOW unless otherwise agreed in writing pursuant to a change order.

5.4 Post-Go-Live Support for Integrations

Following go-live, First Due will provide reasonable support for Integrations in accordance with the support terms set forth in the Agreement. Such support is limited to diagnosing whether an issue originates within the Purchased Products and, where appropriate, coordinating with Customer or applicable third-party vendors to facilitate resolution.

First Due shall have no obligation to modify, replace, or re-engineer any Integration due to changes imposed by third-party vendors unless such work is expressly agreed by the parties pursuant to a written change order and may be subject to additional fees and timeline adjustments.

5.5 No Guarantees

Customer acknowledges that Integrations are provided as a convenience to facilitate interoperability and do not guarantee data accuracy, timeliness, completeness, availability, or suitability for Customer's operational, regulatory, reporting, or compliance needs. Customer remains solely responsible for verifying the accuracy and appropriateness of data received through any Integration and for compliance with all applicable laws, regulations, and internal policies related to such data.

6. CUSTOMER SUCCESS MANAGER

Following completion of the implementation and transition from any post-go-live implementation support period, First Due shall assign a Customer Success Manager ("**CSM**") to serve as Customer's primary point of contact for ongoing relationship management, as contemplated by the Agreement. The CSM's role is intended to support Customer's use of the Purchased Products through periodic check-ins, coordination of communications, and facilitation of access to generally available resources and information regarding product updates, features, and services.

Customer acknowledges and agrees that the CSM does not provide consulting services, operational or project management, system administration, legal, regulatory, or compliance advice, or any guarantees regarding system adoption, performance, availability, or business outcomes. Any guidance or information provided by the CSM is informational in nature only and shall not modify or expand the terms of the Agreement, the applicable Quote, or this SOW.

The frequency, format, and content of CSM interactions may vary based on Customer needs, product usage, and First Due's standard customer success practices and may change over time. The assignment of a CSM does not obligate First Due to provide dedicated personnel, minimum service levels, response times, or ongoing professional services beyond those expressly set forth in the Agreement.

Any requests by Customer for services beyond the scope of standard customer success activities, including additional training, configuration changes, integrations, analysis, or consulting services, shall be subject to a separate written agreement or change order and may require additional fees.

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

7. CUSTOMER SUPPORT

7.1 Support Services Generally

Customer support services are provided pursuant to the Agreement and any applicable support policies referenced therein and are intended to assist Customer with questions, requests, or issues related to the operation of the Purchased Products following go-live. Customer support services are separate from, and not a continuation of, the Implementation Services described in this SOW.

Except as expressly set forth in the Agreement or the applicable Quote, customer support services do not include implementation services, professional services, consulting, system administration, configuration changes, data correction, or training.

Nothing in this SOW shall be construed to create any service level commitment, response time obligation, or priority support entitlement unless expressly stated in the Agreement or the applicable Quote.

7.2 Support Requests and Contact Information

When Customer submits a request for customer support, First Due will create a support ticket within its customer support system and assign a unique ticket identifier for tracking and documentation purposes. Support requests may be submitted through any of the support channels made available by First Due in accordance with its then-current support procedures.

As of the effective date of this SOW, Customer may contact First Due customer support using the following channels:

Online Support Portal: support.firstduesizeup.com

Email: support@firstdue.com

Telephone: (516) 874-5818

First Due may update or modify its support systems, tools, contact methods, or intake processes from time to time, provided that commercially reasonable access to customer support is maintained.

7.3 Self-Service Resources

First Due may provide Customer with access to self-service support resources through its online support center or knowledgebase. Such resources may include instructional materials, step-by-step articles, frequently asked questions, videos, and best practices and are generally available on a twenty-four (24) hour basis.

Self-service resources are provided as a convenience to Customer and are intended to supplement, but not replace, direct customer support. First Due does not warrant the completeness, accuracy, or continued availability of any specific self-service resource.

7.4 Hours of Operation and Severity

Customer support hours of operation ("**Business Hours**") are generally Monday through Friday, from 9:00 a.m. to 6:00 p.m. Eastern Time, excluding First Due-observed holidays.

First Due may provide twenty-four (24) hour, seven (7) day support coverage for issues classified by First Due as severity level one (Sev 1), meaning system-down or urgent issues, in accordance with its then-current support practices. Severity classifications, response times,

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

and resolution objectives, if any, are governed exclusively by the Agreement and applicable support policies and are not expanded or modified by this SOW.

7.5 Limitations

Customer acknowledges that customer support services are limited to issues arising from the Purchased Products as delivered and do not include responsibility for third-party systems, integrations, Customer-provided data, network environments, or issues caused by Customer modifications, misuse, or failure to follow documentation.

Customer further acknowledges that First Due may suspend or limit support services in accordance with the Agreement, including in connection with non-payment, security concerns, or misuse of the Purchased Products.

8. ASSUMPTIONS

8.1 Customer Participation and Cooperation

Customer acknowledges that the successful performance of the Implementation Services is dependent upon timely and meaningful participation by Customer personnel. Customer shall designate knowledgeable representatives with appropriate authority to make decisions, provide approvals, and coordinate resources as reasonably required to support implementation activities. Customer shall attend scheduled meetings, complete preparatory tasks, provide required information and access, and perform testing and validation activities in a timely manner.

Customer acknowledges that implementation activities generally require ongoing Customer involvement, including reasonable weekly time commitments for meetings, review, testing, and preparatory work. Any failure or delay by Customer to perform its responsibilities under this SOW shall excuse any corresponding delay in First Due's performance and may result in adjustments to the implementation timeline, sequencing, or resource allocation.

If Customer's failure to participate, provide required information, access, approvals, or resources materially impacts the scope, timing, or effort required to perform the Implementation Services, First Due may require a mutually executed written change order to continue implementation on revised terms.

8.2 Implementation Term and Expiration

The implementation services described in this SOW are intended to be completed within twelve (12) months following the Subscription Start Date specified in the applicable Quote, as contemplated by the Agreement (the "**Implementation Term**"). Notwithstanding the foregoing, for Purchased Products sold as part of an "Essentials" or similar bundled implementation offering, the parties agree that the Implementation Services are intended to be completed within a limited implementation period of four (4) months following the Subscription Start Date (the "**Essentials Implementation Period**"), unless otherwise expressly stated in the applicable Quote.

Except for delays materially caused by First Due, if implementation activities are delayed due to Customer actions, Customer dependencies, third-party systems or vendors, or circumstances outside either party's reasonable control, First Due may, in its discretion, extend the Implementation Term, provided there is a mutually agreed written plan to complete the remaining implementation activities within such extension period.

Expiration of the Implementation Term shall not affect Customer's subscription to the Purchased Products, Customer's obligation to pay fees under the Agreement, or First Due's obligations relating to customer support and customer success services following go-live, all of which shall be governed exclusively by the Agreement and the applicable Quote.

Zoho Sign Document ID: 2AB7F2F4-EJXM4TEHAGBJFZ2GFBPOXFAFJBK5_JGGB6SCYUGEEW8

If Customer does not complete implementation of all modules included in an Essentials or bundled offering within the applicable Essentials Implementation Period due to Customer delay, deferral, or inaction, First Due shall have no obligation to continue providing implementation services for the unimplemented modules. Customer may either (i) configure such modules independently using the Purchased Products, or (ii) engage First Due for additional implementation services pursuant to a new statement of work or change order, subject to additional fees. In such event, Customer shall be deemed transitioned out of implementation status and into customer success and support as provided under the Agreement.

8.3 Standard Functionality and Best Practices

Customer acknowledges that the Purchased Products are standardized, configurable software solutions designed to support a broad range of customers and operational use cases. While First Due will reasonably consider Customer's existing workflows during implementation, First Due may recommend the use of standard functionality, configurations, or industry best practices to promote efficiency, maintainability, system performance, and timely completion of implementation.

Customer further acknowledges that implementation may require changes to Customer's existing workflows, processes, or operational practices and that such changes do not constitute a failure of the Implementation Services or a breach of this SOW.

8.4 Go-Live Requirements and Known Gaps

During the course of implementation, the parties may identify functional limitations, dependencies, or gaps in the Purchased Products relative to Customer's desired workflows. Certain items may be designated by the parties as requirements for go-live. Where commercially reasonable and technically feasible, such items will be prioritized for completion prior to go-live.

Customer acknowledges that certain non-critical features, enhancements, or refinements may not be available at go-live and may instead be documented as exceptions in applicable module or system sign-offs, with target timeframes for future delivery if applicable. The existence of such exceptions shall not delay go-live unless expressly agreed in writing by the parties.

8.5 No Outcome, Compliance, or Advisory Guarantees

Customer acknowledges that the Implementation Services are intended solely to enable deployment and initial use of the Purchased Products. First Due does not guarantee any specific operational, financial, regulatory, compliance, accreditation, or business outcomes arising from implementation or use of the Purchased Products.

Customer further acknowledges that the Implementation Services are technical and configurational in nature only and do not constitute legal, regulatory, tax, compliance, or professional advice. Customer remains solely responsible for determining whether the Purchased Products, as implemented, satisfy Customer's legal, regulatory, policy, or operational requirements and for ensuring Customer's use of the Purchased Products complies with applicable law and internal standards.

8.6 Suspension for Assumption Failure

First Due may suspend Implementation Services, without liability, if Customer fails to satisfy the assumptions set forth in this Section 8, including failures relating to participation, access, data availability, approvals, or third-party dependencies. Any such suspension shall not constitute a breach of this SOW and shall not relieve Customer of its payment obligations under the Agreement.

STANDARD ADDENDUM TO AGREEMENT

This standard contract addendum is executed on the _____ day of _____ , 2026 by and between **THE TOWN OF SMYRNA, TENNESSEE,** a municipal corporation in the State of Tennessee, herein further referenced and identified as ("The Town") and **LOCALITY MEDIA, LLC D/B/A FIRST DUE**, herein further referenced and identified as ("Vendor") in order to amend the terms of the Agreement, including all attachments, exhibits, or any actual or virtual documents or writing, including, but not limited to, all any “clickwrap,” “clickthrough” or “click and accept” agreement or other Terms of Service.

WITNESSETH

WHEREAS, the parties wish to execute this addendum to the Agreement for the purposes of substituting, clarifying or inserting certain terms of or into their original Agreement executed on the _____ day of _____, 20_____; and

WHEREAS, the terms of this addendum to the Agreement shall take precedence over all other terms, conditions or language to the contrary or in conflict with the language contained in the Agreement; however, any term or clause not modified by the provisions herein shall be governed by the original agreement. The parties agree that this addendum shall not be construed to create any ambiguity, it being the expressed intent of the parties that this addendum shall control;

THEREFORE, In consideration of using Vendor’s form Agreement, the mutual promises set out herein, and other good and valuable consideration, the sufficiency of which is hereby acknowledged by Vendor the parties hereto agree to the following:

1. VENUE: The parties agree that venue for any legal or other dispute arising under the terms of the original agreement or this addendum to agreement shall lie exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial;

2. CHOICE OF LAW: The Agreement shall be deemed to be entered into under Tennessee law, and the rights and obligation of the parties are governed by the laws of the

Zoho Sign Document ID: 2AB7F2F4-SQNWT9W9KBNSJWVM_MGYVDUGYLFRRLGDY5JFW9WGONM

State of Tennessee, without regard to its conflict of laws principles, and all obligations of the parties are performable in Smyrna, Tennessee.

3. INDEMNIFICATION: The parties hereto agree that Vendor shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Vendor in the performance of their obligations under the terms of the original agreement or this addendum to agreement and Vendor agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private or public entities and, therefore, prohibits an agreement by the Town to indemnify a third party or agree to a limitation of liability provision. Any indemnity or hold harmless provision contained in the Agreement requiring the Town to indemnify or hold harmless Vendor or any other person or entity or any limitation of liability in favor of Vendor shall be deemed null, void and unenforceable against the Town under any and all circumstances.

4. NON-APPROPRIATION: Vendor acknowledges that the Town is a governmental entity, and the validity of the Agreement is based upon the availability of public funding under its authority. In the event the Town fails to appropriate funds or make monies available for any fiscal year covered by the term of the Agreement for services to be provided, the Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to the Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Vendor shall be returned to the Town.

5. TAX EXEMPTION: As a tax-exempt entity, the Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Vendor with

Zoho Sign Document ID: 2AB7F2F4-SQNWT9W9KBNSJWVM_MGYVDUGYLFRRLGDY5JFW9WGONM

its Sales and Use Tax Exemption Certificate upon Vendor's request. Vendor shall bear the burden of providing its suppliers with a copy of the Town's tax exemption certificate and Vendor shall assume all liability for such taxes, if any, that should be incurred.

6. NO ATTORNEY'S FEES: The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Vendor may incur due to breach of the original agreement or this addendum agreement by either party; and further, The Town shall not acquiesce to any term of the original contract/agreement that indicates or infers The Town may or shall be responsible for the fees of another party or the Vendor's attorney fees.

7. MEDIATION; NO ARBITRATION: The Town may, at its option, require the attempted resolution of any dispute arising under the original contract or this addendum to agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Vendor shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Vendor of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Vendor may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties. The parties hereby further agree that, except as provided for in this addendum or by applicable law, the parties shall not be required to participate in any alternative dispute resolution process or procedure, including but not limited to arbitration and med-arb, relating to disputes that arise between the parties to the Agreement.

8. FAILURE TO PERFORM: The parties agree, in the event Vendor fails to perform any obligation, other than with regards to the date of delivery, set out in the Agreement/Contract, the Town shall be reimbursed by Vendor for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Vendor to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Vendor shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in the

Zoho Sign Document ID: 2AB7F2F4-SQNWT9W9KBNSJWVM_MGYVDUGYLFRRLGDY5JFW9WGONM

Agreement/Contract all deliveries shall be made to the Town no later than ninety (90) days from the date of the Agreement/Contract. The parties further agree that if Vendor, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing the Agreement/Contract, then the entire Agreement/Contract shall be voidable at the sole discretion of the Town. Should the Town elect to void the Agreement/Contract due to Vendor's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing the Agreement/Contract to meet the delivery deadline, then neither party shall be deemed to have breached the Agreement/Contract, and Vendor shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time. This provision shall take propriety over any Force Majeure Clause contained within the Agreement/Contract.

9. USE OF TOWN's LOGO OR NAME: Vendor shall not use the Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from the Town. Vendor shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of the Town.

10. WARRANTY: Vendor warrants that the product(s) herein, when used in accordance with the documentation, shall operate and conform in all material respects in conformity with this Agreement and the written representations of Vendor, including applicable user manuals and guides supplied by Vendor or with Vendor's Software. If it does not perform as warranted, Vendor shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Vendor. If Vendor cannot correct the product(s) within a reasonable period of time, Vendor shall refund the purchase price of the product(s).

11. SOFTWARE DEADLINE, TESTING AND ACCEPTANCE: If applicable to the Agreement, software provided by Vendor shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of the Agreement and this Addendum thereto, unless the Agreement states

Zoho Sign Document ID: 2AB7F2F4-SQNWT9W9KBNSJWVM_MGYVDUGYLFRRLGDY5JFW9WGONM

a specific date which is before or after said deadline. In Addition, software provided by Vendor to the Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets the Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using the Town's data. The Town shall provide Vendor with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Vendor, the software shall be deemed to be accepted by the Town. If the software is rejected, the Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Vendor to repair or replace the software, without charge, in a timely manner. In the event the Town elects to allow the Vendor to repair or replace the software, the Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

12. NO AUTOMATIC RENEWAL: The term of the Agreement shall not be renewed or extended beyond the initial term and any provision providing for automatic or continuing renewal of the Agreement is not applicable.

13. UNILATERAL MODIFICATION OF AGREEMENT NOT PERMITTED: Vendor may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Addendum, shall not alter this Addendum, and shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in the Agreement to the contrary, any change to the Agreement made by Vendor that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by the Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Addendum, and shall not alter this Addendum and shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement.

14. CHANGES TO TERMS. Except as provided in Paragraph No. 13 above pertaining to Vendor's Privacy Policy, Vendor shall provide the Town written notice, sent

Zoho Sign Document ID: 2AB7F2F4-SQNWT9W9KBNSJWVM_MGYVDUGYLFRRLGDY5JFW9WGONM

in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to the Agreement at least ninety (90) days prior to being effective to the Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Vendor will refund to the Town any payment made by the Town to Vendor equal to the difference between the number of months the payment was intended for and the number of months remaining on Agreement that the fee was intended to cover.

15. PRICE ASSURANCE: Unless specifically stated in the Agreement, the price shall be valid for the full term of the Agreement. If Vendor, specifically states, in the Agreement that he, she or it cannot honor the price for the full term of the Agreement; the Agreement is voidable at the sole discretion of the Town, if at any time during the full term of the Agreement, Vendor requests to raise the contract price. If the Town elects to void the Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

16. CONFIDENTIALITY: The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Addendum, the Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure, without regard to any provision contained in the Agreement declaring information confidential. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Vendor or provide Vendor with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

17. BOYCOTT OF ISRAEL: The Vendor certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

18. NO PRESUMPTION AGAINST DRAFTER: The parties are both business entities having substantial experience with the subject matter of this addendum, and each

Zoho Sign Document ID: 2AB7F2F4-SQNWT9W9KBNSJWVM_MGYVDUGYLFRRLGDY5JFW9WGONM

has fully participated in the negotiation and drafting of this addendum. Accordingly, this addendum shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed addendum differs in any respect from any previous draft hereof.

19. SURVIVAL: This entire addendum shall survive the completion of or any termination of the Agreement or other document which may accompany the Agreement or be incorporated by reference and shall remain in full force and effect until the expiration of any applicable statute of limitation.

20. EFFECTIVE DATE: This addendum shall be deemed to have the same effective date of the Agreement.

(execution page follows)

2026/2027 Material Bid Explanations

When awarding bids, a number of factors must be considered due to unstable market conditions and fluctuating manufacturing costs affecting water, sewer and gas materials. These factors include, but are not limited to, lead times and pricing.

Gas Meter Bid Tabulation:

Diaphragm Gas Meters

G-15 thru G-19: MarieCo. bid a full section with a lower cost, but they were refurbished meters. Therefore, Ed Young Sales Company was awarded the bid.

Residential Regulators

G-63 thru G-64: MarieCo. had a lower bid, but didn't provide the needed spec. sheet for their noted difference. Therefore, Ed Young Sales was awarded the bid.

Gas Materials Bid Tabulation:

Lycofit Fittings

G-160 thru G-172: G&C Supply had the lowest bid with an incomplete section. CGS has the lowest bid with a complete section. Therefore, CGS was awarded the bid.

Dresser Couplings

G-207 thru G-216: G&C Supply had the lowest bid with an incomplete section. Irby Utilities has the lowest bid with a complete section. Therefore, Irby Utilities was awarded the bid.

Sewer Materials Bid Tabulation:

Pipe

S-71 thru S-93: All bid sections were incomplete. Ferguson Waterworks had the lowest bid on all of our new spec. sewer pipe. They also guaranteed pricing for the year. Therefore, Ferguson Waterworks was awarded the bid.

Water Materials Bid Tabulation:

Meter Boxes and Lids

W-48 thru W-55: Citco Water had the lowest bid, but didn't supply spec. sheets for their exemptions. Therefore, Southern Pipe was awarded the bid.

Valves

W-423 thru W-431: Citco Water had the lowest bid, but didn't supply spec. sheets for their exemptions.Therefore, Southern Pipe was awarded the bid.

AGREEMENT

This Agreement is made and entered into as of this 15 day of May, 20 26, by and between Citco Water, a _____ _____ (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of _____.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

COMPANY NAME

AGREEMENT

This Agreement is made and entered into as of this 19 day of May, 2026, by and between _____, a Core and main (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of purchasing Water and Sewer Materials.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

AGREEMENT

This Agreement is made and entered into as of this _____ day of _____, 20____, by and between _____, a _____ _____ (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of _____.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

RE: Project: Town of Smyrna Bid Opening.

AGREEMENT

This Agreement is made and entered into as of this ____ day of _____, 20___, by and between Equipment Controls Company, a Georgia Corporation _____ (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of _____.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

AGREEMENT

This Agreement is made and entered into as of this 19 day of May, 2026, by and between Ferguson Waterworks, a _____ (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of Annual Bid.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

AGREEMENT

This Agreement is made and entered into as of this 19 day of May, 2026, by and between Grayson Hubbuch, a Fortiline Water Works (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of 2026 Town of Smyrna Annual Bid 2026-2027

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

AGREEMENT

This Agreement is made and entered into as of this 13th day of May, 2026, by and between G & C Supply Co, Inc, a Municipal & Utility Supplier (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of 2026-2027 Annual Bid.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

COMPANY NAME

AGREEMENT

This Agreement is made and entered into as of this 14th day of May, 20___, by and between Kerotest Manufacturing, a Corporation (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of Utilities materials.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

AGREEMENT

This Agreement is made and entered into as of this 15th day of May, 20 26, by and between MarieCo, LLC., a Natural Gas manufacturer representative (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of Annual Gas material bid due 5/19/2026.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid

price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

Bidders shall note in the space provided below any exceptions or deviations in any way from the specifications of any section of this ISQ. Bidders should provide complete detail of exceptions or deviations.

Proposal Exceptions

Section	Brief Description
Section C (Other Insurance Provisions) in Section II	With respect to Section C (Other Insurance Provisions) in Section II of the ITQ, Badger Meter has ample coverage to satisfy the Town's requirements for a supply-only contract. The requirements that the Town be named as additional insured and for prmary and non-contributory coverage on the CGL and auto liability coverages as well as the waiver of subrogation for the workers' compensation coverage are more appropriately utilized in circumstances other than a supply-only contract. As such, Badger Meter respectfully takes exception to these requirements. Please find attached a sample Certificate of Liability Insurance for your review.
Section E (Verification of Coverage) in Section II	With respect to Section E (Verification of Coverage) in Section II of the ITQ, please note Badger Meter is a publicly traded company and our insurance policies are considered confidential information. As the Town is subject to open records requests, we do not provide copies of our insurance policies.
Section 5 (Warranties) of the Agreement	With respect to Section 5 of the Agreement, Badger Meter's standard manufacturer warranties will apply and govern. The extent of the warranty to be provided by Badger Meter is set forth in the standard warranties that have been enclosed herein. As such, we have proposed a revision to this section of the Agreement to reflect the same.
	Badger Meter reserves the right to adjust pricing during the term to account for changes in law or other geoeconomic influences that are not enacted at the time of bid including, but not limited to, tariffs, duties, and taxes.
	After the initial one-year term, Badger Meter reserves the right to increase pricing for our products at the time of renewal.

By signature below, vendor acknowledges any quotation to be in full compliance with all aspects of each section of the ISQ not noted above. The undersigned hereby declares that no person or party other than the undersigned has any interest whatever in this proposal, that it is without any connection or collusion with any person or persons making or having made any proposal for the same work and without any previous understanding with such person or persons as to relative prices, obviating competition, and that it is made in good faith.

DESCRIPTION

The Recordall Disc Series meters meet or exceed the most recent revision of AWWA Standard C700 and are available in a lead-free bronze alloy. The meters comply with the lead-free provisions of the Safe Drinking Water Act, are certified to NSF/ANSI/CAN Standards 61 and 372 (Trade Designations: M25-LL, M35-LL, M55-LL, M70-LL) and carry the NSF-61 mark on the housing. All components of the lead-free bronze alloy meter (housing, measuring element, seals, and so on) comprise the certified system.

Applications: For use in measurement of potable cold water in residential, commercial and industrial services where flow is in one direction only.

Operation: Water flows through the meter's strainer and into the measuring chamber where it causes the disc to nutate. The disc, which moves freely, nutates on its own ball, guided by a thrust roller. A drive magnet transmits the motion of the disc to a follower magnet located within the permanently sealed register. The follower magnet is connected to the register gear train. The gear train reduces the disc nutations into volume totalization units displayed on the register or encoder face.

Operating Performance: The Recordall Disc Series meters meet or exceed registration accuracy for the low flow rates (95%), normal operating flow rates (100 ±1.5%), and maximum continuous operation flow rates as specifically stated in AWWA Standard C700.

Construction: Recordall Disc meter construction, which complies with ANSI/AWWA standard C700, consists of three basic components: meter housing, measuring chamber and permanently sealed register or encoder. The meter is available in a lead-free bronze alloy with externally threaded spuds. A corrosion-resistant engineered polymer material is used for the measuring chamber.

Magnetic Drive: Direct magnetic drive, through the use of high-strength magnets, provides positive, reliable and dependable register coupling for straight-reading or AMR/AMI meter reading options.

Tamper-Proof Features: Unauthorized removal of the register or encoder is inhibited by the option of a tamper detection seal wire screw, TORX® tamper-resistant seal screw or the proprietary tamper-resistant keyed seal screw. Each can be installed at the meter site or at the factory.

Maintenance: Badger Meter Recordall Disc Series meters are designed and manufactured to provide long-term service with minimal maintenance. When maintenance is required, it can be performed easily either at the meter installation or at any other convenient location.

To simplify maintenance, the register, measuring chamber, and strainer can be replaced without removing the meter housing from the installation. No change gears are required for accuracy calibration. Interchangeability of parts among like-sized meters and meter models also minimizes spare parts inventory investment. The built-in strainer has an effective straining area of twice the inlet size.

Connections: Tailpieces/Unions for installations of meters on various pipe types and sizes, including misaligned pipes, are available as an option.

Local Register—Mechanical Sweep-Hand Registration

The local register is a straight-reading, permanently sealed magnetic drive register. The register is permanently sealed to eliminate the intrusion of moisture, dirt or other contaminants. The register achieves true water resistance due the unique adhesive technology used to seal the glass dome to the corrosion-resistant metal bottom. Due to this sealing process, the register exceeds all applicable requirements of AWWA Standard C707 and is suitable for installation in all environments, including meter pits subject to continuous submergence.

The local register has a six-odometer wheel totalization display, 360° test circle with center sweep hand, and flow finder to detect leaks. Register gearing is made of self-lubricating engineered polymer, which minimizes friction and provides long life. The multi-position register simplifies meter installation and reading. The register capacity is 10,000,000 gallons (1,000,000 ft³, 100,000 m³).

A Model 25 register is used in the following example:

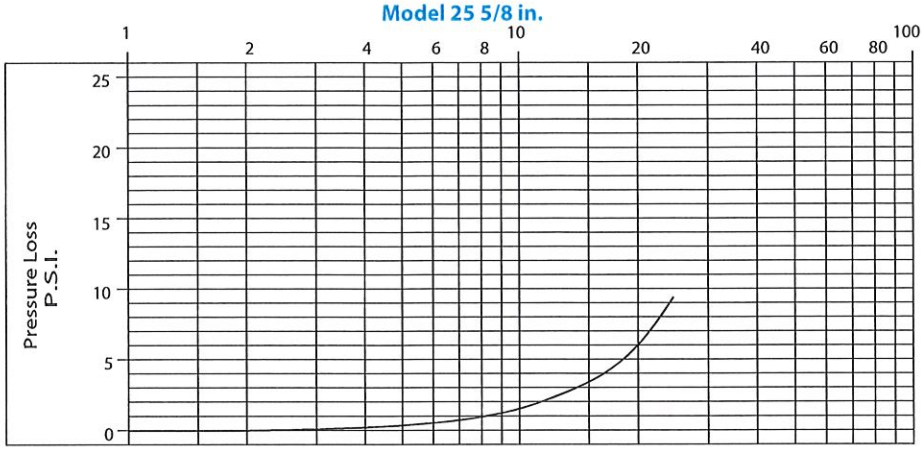

Model	Gallon	Cubic Feet	Cubic Meter

Recordall® Disc Meters

Lead-Free Bronze Alloy 120 & 170, Sizes 1-1/2 in. (40 mm) & 2 in. (50 mm), NSF/ANSI/CAN Standards 61 and 372 Certified

DESCRIPTION

Recordall Models 120 and 170 Disc Series meters meet or exceed the most recent revision of AWWA Standard C700 and are available in a lead-free bronze alloy. Both meters comply with the lead-free provisions of the Safe Drinking Water Act, are certified to NSF/ANSI/CAN Standards 61 and 372 (Trade Designations: M120-LL and M170LL) and carry the NSF-61 mark on the housing. All components of the lead-free bronze alloy meter (housing, measuring element, seals, and so on) comprise the certified system.

Applications: For use in measurement of potable cold water in residential, commercial and industrial services where flow is in one direction only.

Operation: Water flows through the meter's strainer and into the measuring chamber where it causes the disc to nutate. The disc, which moves freely, nutates on its own ball, guided by a thrust roller. A drive magnet transmits the motion of the disc to a follower magnet located within the permanently sealed register. The follower magnet is connected to the register gear train. The gear train reduces the disc nutations into volume totalization units displayed on the register or encoder face.

Operating Performance: The Recordall Disc Series meters meet or exceed registration accuracy for the low flow rates (95%), normal operating flow rates (100 ± 1.5%), and maximum continuous operation flow rates as specifically stated in AWWA Standard C700.

Construction: Recordall Disc meter construction, which complies with ANSI/AWWA standard C700, consists of three basic components: meter housing, measuring chamber, and permanently sealed register or encoder. The water meter is available in a lead-free bronze alloy. A corrosion-resistant engineered polymer material is used for the measuring chamber.

Magnetic Drive: Direct magnetic drive, through the use of high-strength magnets, provides positive, reliable and dependable register coupling for straight-reading or AMR/AMI meter reading options.

Tamper-Proof Features: Unauthorized removal of the register or encoder is inhibited by the option of a tamper detection seal wire screw, TORX® tamper-resistant seal screw or the proprietary tamper-resistant keyed seal screw. Each can be installed at the meter site or at the factory.

Maintenance: Badger Meter Recordall Disc Series meters are designed and manufactured to provide long-term service with minimal maintenance. When maintenance is required, it can be performed easily either at the meter installation or at any other convenient location.

To simplify maintenance, the register, measuring chamber, and strainer can be replaced without removing the meter housing from the installation. No change gears are required for accuracy calibration. Interchangeability of parts among like-sized meters minimizes spare parts inventory investment. The built-in strainer has an effective straining area of twice the inlet size.

Connections: Companion flanges in cast iron or NL bronze are available as options. Straight connection sets are available in NL bronze.

Badger Meter | HR-E High Resolution Encoder

DESCRIPTION

Applications: The High Resolution Encoder (HR-E) is designed for use with all current Recordall® Disc, Turbo, Compound, Combo and Fire Series meters and assemblies. The HR-E provides connectivity with Badger Meter ORION® and GALAXY® AMR/AMI endpoints, BadgerTouch® modules and other AMR/AMI technology solutions approved by Badger Meter.

Electronic Resolution: Encoder output from the HR-E includes eight-dial resolution to AMR/AMI endpoints and the option of four, five, six, seven or eight-dial resolution for touch applications. Refer to tables on the next page for details.

Mounting: The HR-E in its shroud assembly uses a bayonet mount compatible with all Recordall Disc, Turbo, Compound and Fire Series meters and assemblies. The bayonet mount allows positioning of the register in any of four orientations for visual reading convenience. The HR-E can be removed from the meter without disrupting water service.

Magnetic Drive: A direct-drive, high-strength magnetic coupling, through the meter body to the wetted magnet, provides reliable and dependable register coupling.

Local Indication: The HR-E face features an eight-dial mechanical odometer wheel stack and a flow finder with a calibrated test circle.

Tamper-Resistant Features: Unauthorized removal of the HR-E is inhibited by the option of a tamper detection seal wire screw, tamper-resistant TORX® seal screw, or the proprietary tamper-resistant keyed seal screw. Each can be installed at the meter site or at the factory.

Construction: The housing of the HR-E is constructed of a strengthened glass lens top and a corrosion-resistant metal bottom. Internal construction materials are thermoplastic for long life and high reliability. The encoder gearing is self-lubricating thermoplastic to minimize friction and provide long, reliable life. The shroud assembly is thermoplastic.

Temperature: The operating range of the HR-E is – 40…140° F (– 40…60° C). The water meter should not be subjected to temperatures below freezing.

Sealing: The HR-E encoder is permanently sealed to eliminate the intrusion of moisture, dirt or other contaminants. The HR-E achieves true water resistance due the unique adhesive technology used to seal the glass dome to the corrosion-resistant metal bottom. Due to this sealing process, the HR-E exceeds all applicable requirements of AWWA Standard C707. With leak rates less than 10-6 cc/sec, as tested by a helium mass spectrometer, the HR-E is suitable for installation in all environments, including meter pits subject to continuous submergence.

Electrical: The electronic circuitry is designed to provide immunity to electrical surges and transients per IEC1000-4-2, IEC1000-4-4. Operation of the HR-E is dependent on the wire length limitations of connected AMR/AMI equipment.

Operating Characteristics: The reading obtained by an AMR/AMI device is sensed directly from the position of the encoder's odometer using internal LED light paths to determine the exact position of each number wheel. This technology eliminates electromechanical contacts that could wear out, and provides greater long-term performance.

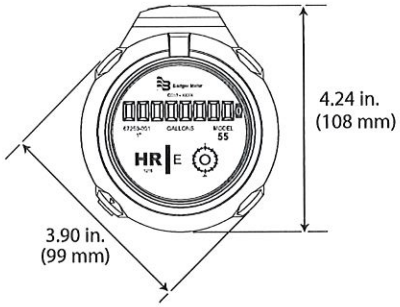

Wire Connections: The HR-E is available with an in-line connector for easy connection and installation to AMR/AMI endpoints. It is also available with a flying lead for a field splice connection or fully prewired to an AMR/AMI endpoint. A terminal screw version of the HR-E is also available. This version features a tamper-resistant cap over the three-wire terminals. The HR-E with terminal screws is designed for indoor installations in protected environments such as residential basements.

Badger Meter Utility Parts Warranty

WARRANTY COVERAGE

Badger Meter warranty obligations are limited to the terms set forth below.

PRODUCTS COVERED

This Badger Meter warranty shall apply to parts purchased from Badger Meter for approved use in or with Utility products sold by Badger Meter ("Parts") against defects in materials and workmanship under normal use for a period of ninety (90) days from the date of purchase by the original end-user purchaser ("Warranty Period").

PRODUCT RETURNS

Part failures must be proven and verified to the satisfaction of Badger Meter. The Badger Meter obligation hereunder shall be limited to such repair and replacement and shall be conditioned upon Badger Meter receiving written notice of any asserted defect within 10 (ten) days after its discovery. If the defect arises and a valid claim is received within the Warranty Period, at its option, Badger Meter will either (1) exchange the part with a new, used or refurbished part that is at least functionally equivalent to the original part, or (2) refund the purchase price of the part.

Product returns must be shipped by the Customer prepaid F.O.B. to the nearest Badger Meter factory or distribution center. The Customer shall be responsible for all direct and indirect costs associated with removing the original Product and reinstalling the repaired or replacement Product. A replacement Part assumes the remaining warranty of the original Part, or ninety (90) days from the date of replacement, whichever provides longer coverage.

LIMITS OF LIABILITY

This warranty shall not apply to any Part repaired or altered by any party other than Badger Meter. The foregoing warranty applies only to the extent that the Part is installed, serviced and operated strictly in accordance with Badger Meter instructions. The warranty shall not apply and shall be void with respect to a Part exposed to conditions other than those detailed in applicable Product technical literature, or which have been subject to vandalism, negligence, accident, acts of God, improper installation, operation or repair, alteration, or other circumstances which are beyond the reasonable control of Badger Meter.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES WHATSOEVER, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE (except warranties of title).

Any description of a Part, whether in writing or made orally by Badger Meter or its agents, specifications, samples, models, bulletins, drawings, diagrams, engineering sheets or similar materials used in connection with any Customer's order, are for the sole purpose of identifying the part and shall not be construed as an express warranty. Any suggestions by Badger Meter or its agents regarding use, application or suitability of the Part shall not be construed as an express warranty unless confirmed to be such, in writing, by Badger Meter.

Exclusion of Consequential Damages and Disclaimer of Other Liability.

The liability of Badger Meter with respect to breaches of the foregoing warranty shall be limited as stated herein.
Badger Meter's liability shall in no event exceed the contract price.
BADGER METER SHALL NOT BE SUBJECT TO AND DISCLAIMS:
(1) ANY OTHER OBLIGATIONS OR LIABILITIES ARISING OUT OF BREACH OF CONTRACT OR OF WARRANTY, (2) ANY OBLIGATIONS WHATSOEVER ARISING FROM TORT CLAIMS (INCLUDING NEGLIGENCE AND STRICT LIABILITY) OR ARISING UNDER OTHER THEORIES OF LAW WITH RESPECT TO PRODUCTS SOLD OR SERVICES RENDERED BY BADGER METER, OR ANY UNDERTAKINGS, ACTS OR OMISSIONS RELATING THERETO, AND (3) ALL CONSEQUENTIAL, INCIDENTAL AND CONTINGENT DAMAGES WHATSOEVER.

Agenda Summary

Agenda Item Number 5.c.
Department: Utilities
Date: July 14, 2026

Subject:
Approval of the terms of, and authorization for the Mayor to execute, Final Change Order #1 for the Golf Course Water Line Project.

Fiscal Impact:
This results in a savings of $9,858.86, bringing the final total to $196,843.14

Contract Type:
Contract Change Order /Amendment

Contract Term (if applicable):
N/A

Background:
This project was two-fold. First, the front nine of the golf course was served from the air base and the line ran in front of the end of a runway. The airport authority was doing work and needed the line moved, so we tied to Sam Ridley to serve the front nine and set a meter (part two) to monitor usage and abandoned the line for the airport.

Summary:
Tied the golf course front nine onto Sam Ridley main, set the meter, and disconnected the line crossing the airport. The work was less than anticipated.

Recommended Council Action:
Staff recommends approval of Final Change Order #1 for Golf Course Water Line Project.

Agenda Summary

Agenda Item Number 5.d.
Department: Utilities
Date: July 14, 2026

Subject:
Approval of the terms of, and authorization for the Mayor to execute, a contract amendment with SEC, Inc relative to Stewart's Creek gravity design.

Fiscal Impact:
$110,035

Contract Type:
Contract Change Order /Amendment

Contract Term (if applicable):
N/A

Background:
The scope of work for the design of the Stewart's Creek gravity sewer project has significant changes from the original gravity design. Redesign for a large portion of the project was required due to having to lower the line below the creek for crossings based on TDEC's environmental review. This also resulted in changing of a portion of the required easements, including new exhibits, surveying and staking the easements. This also required adding a lift station that gravity had to connect with. The US Army CORE of Engineers also required an archeological survey that is currently in process. This additional cost will be cover under the SRF Planning and Design loan we currently have in place.

Summary:
Significant changes to design include additional engineering, permitting support, coordination, survey and design services performed beyond the original scope of work.

Recommended Council Action:
Staff recommends the contract amendment with the SEC for Stewart's Creek gravity design.

RE: Proposal for Professional Services
Stewarts Creek Sanitary Sewer Additional Services
Smyrna, TN

Dear Mark,

We appreciate your continued interest in SEC, Inc. and the opportunity to submit this proposal for additional services associated with the Stewarts Creek Sanitary Sewer project.

SEC, Inc.'s original scope of services for the Stewarts Creek Sanitary Sewer Gravity Line Extension – Phase 2 included the following:

"Phase 2 design involved a main trunk line of 18-24" gravity sanitary sewer along Stewarts Creek, approximately 36,000 LF, extending from an existing manhole at the Meadows Subdivision near Baker Road and I-24 to the north corner of Tax Map 95, Parcel 7 (8294 Almaville Hwy 102), located north of I-840. Phase 2 also included two spur gravity sanitary sewer routes as follows: (1) abandonment of the Amberton Lift Station at Morton Lane and extension of a 12" gravity sanitary sewer downstream to connect to the proposed Stewarts Creek sanitary sewer trunk line, approximately 6,500 LF; and (2) extension of 12" gravity sanitary sewer from the Stewarts Creek sanitary sewer trunk line approximately 2,500 LF to serve the Life Point Church and MTE substation corridor. SEC, Inc. was to utilize recently acquired LiDAR topographic data and perform field survey services for project route boundary limits, drainage inverts, existing utilities, and sewer inverts."

Project Revisions and Scope Modifications

During design development, multiple project revisions and additional scope items were incorporated beyond the original conceptual services, including the following:

1. Alignment and Vertical Design Revisions

- Original design criteria contemplated aerial stream crossings. Subsequent vertical adjustments were made to address stream crossing constraints and project constructability considerations.
- Following coordination with regulatory agencies, the project starting point was shifted downstream approximately 2,200 LF to I-24, requiring redesign of affected portions of the alignment.
- The Town elected to revise pipe material from ductile iron pipe (DIP) to DR-18 PVC as a cost consideration, resulting in additional profile and design revisions.

Initial _____

- To improve creek clearance and increase future capacity, portions of the system were revised to include 30-inch gravity sewer, which also resulted in incorporation of a sewage lift station due to downstream elevations.
- Certain spur line sizes were revised from 12-inch to 15-inch, requiring additional profile revisions.

Additional Services

A. Newberry Subdivision Future Lift Station
Addition of a future phase lift station north of the creek within the Newberry Subdivision area, including demolition plans and approximately 517 LF of new 8-inch gravity sewer.
(517 LF × $5.00/LF) **$2,585**

B. Stewart Springs STEP System Modifications
Design of approximately 1,850 LF of force main associated with impacts to existing drip field zones, along with evaluation of system conditions related to gravity sewer and force main service options.
(1,850 LF × $4.00/LF) **$7,400**

C. Phase I Cultural Resources Survey
Phase I Cultural Resources Survey associated with 25 open-cut stream crossings in support of permitting and agency coordination.
Survey Services **$8,625**

D. Hydrologic Determination Study
Hydrologic Determination Study **$7,500**

E. Chandler Tract Sewer Redesign
Redesign of sewer alignment through the Chandler Tract, including easement revisions and approximately 950 LF of revised alignment.
(950 LF × $8.50/LF) **$8,100**

F. Aquatic Resource Alteration Permit (ARAP)
Preparation and coordination of permit documentation associated with stream crossings.
ARAP Services **$7,500**

G. Division of Project into Three Bid Phases
Project division into multiple construction bid packages, resulting in additional engineering and administrative coordination associated with separate bidding, meetings, submittals, and closeout activities.
a. Phase 2
(8,995 LF × $2.75/LF) **$24,735**
b. Phase 3
(3,487 LF × $2.75/LF) **$9,590**

H. Verification of Existing Manhole Inverts
Field verification of existing manhole inverts at project starting points and approximately every 2,000 LF along the corridor (29 locations).
Verification Services **$21,000**

I. Easement Staking
Construction easement staking and exhibit support services.
Easement Staking **$7,500**

Initial _____

J. Downstream Gravity Sewer Design
Additional downstream gravity sewer extension design revisions associated with project alignment modifications.
(2,200 LF × $2.50/LF) **$5,500**

Summary
The items outlined above reflect additional engineering, permitting support, coordination, survey, and design services performed beyond the original conceptual scope. Project modifications occurred as a result of agency coordination, alignment revisions, owner-directed material changes, permitting considerations, phased construction implementation, and additional field conditions identified during design progression.

We propose to provide our professional services for this study as follows:

Extra work and additional compensation for same has been described and covered in the letter-type agreement. In the event of an unresolved dispute over change in scope or changed conditions, this Agreement may be terminated upon 7 days written notice as provided in Article 6.

In this regard, the CLIENT will indemnify and hold harmless SEC from any and all suits or claims of third parties arising out of such reuse, including legal expenses, which is not specifically verified, adapted or authorized by SEC.

ARTICLE 9 CLIENT'S RESPONSIBILITIES

A. To permit SEC to perform the services required hereunder, the CLIENT shall provide, in proper time and sequence, the following at no expense to SEC all necessary information regarding CLIENT requirements as necessary for orderly progress of the work.
   1. Designate in writing, one person to act as CLIENT's representative with respect to the services to be rendered under this Agreement.    3. Provide access to, and make all provisions for SEC to enter upon publicly or privately owned property as required to perform the work.
   4. Act as liaison with other agencies or involved parties to carry out necessary coordination and negotiations; furnish approvals and permits from all governmental authorities having jurisdiction over the Project and such approvals and consents from others as may be necessary for completion of the Project.
   5. Examine all reports, sketches, drawings, specifications and other documents prepared and presented by SEC, obtain advice of an attorney, insurance counselor or others as CLIENT deems necessary for such examination and render, in writing, decisions pertaining thereto within a reasonable time so as not to delay the services of SEC.
   6. Give prompt written notice to SEC whenever CLIENT observes or otherwise becomes aware of any development that affects the scope or timing or SEC's services or any defect in the work of Construction Contractor(s), Consultants or SEC.
   7. Initiate action where appropriate, to identify, remove and/or encapsulate asbestos products or materials or other such hazardous materials located in the Project area prior to accomplishment of any work contemplated under the Project.

   9. Provide "record" drawings and specifications for all existing physical plants or facilities which are pertinent to the Project.
   10. Provide other services, materials, or data as may be set forth in the Letter Agreement or any Exhibits attached hereto.

SEC shall be entitled to rely on the accuracy and completeness of information furnished by the CLIENT. If SEC finds that any information furnished by the CLIENT is in error or is inadequate for its purpose, SEC shall promptly notify the CLIENT.

ARTICLE 10 OPINIONS OF COST

Opinions of probable project cost, construction cost, financial evaluations, feasibility studies, economic analyses of alternate solutions and utilitarian considerations of operations and maintenance costs provided for in the Letter Agreement or any Exhibits attached hereto, are made on the basis of SEC's experience and qualifications and represents SEC's judgment as an experienced and qualified design professional. It is recognized, however, that SEC does not have control over the cost of labor, material, equipment or services furnished by others or over market conditions or contactors' methods of determining their prices, and that any evaluation of any facility to be constructed, or acquired, or work to be performed on the basis of SEC's cost opinions, must of necessity, be speculative until completion of construction or acquisition. Accordingly, SEC does not guarantee that proposals, bids or actual costs will not substantially vary from opinions, evaluations or studies submitted by SEC to CLIENT hereunder.

ARTICLE 11 CONSTRUCTION PHASE SERVICES CLIENT acknowledges that it is customary for the engineer who is responsible for the preparation and furnishing of Drawings and Specifications and other construction-related documents to be employed to provide professional services during the Bidding and Construction Phases of the Project, (1) to interpret and clarify the documentation so furnished and to modify the same as circumstances revealed during bidding and construction may dictate, (2) in connection with acceptance of substitute or equal items of materials and equipment proposed by bidders and Contractor(s), in connection with approval of shop drawings and

_____Initials

sample submittals, and (3) as a result of and in response to SEC's detecting in advance of performance of affected work inconsistencies or irregularities in such documentation.

CLIENT agrees that if SEC is not employed to provide such professional services during the Bidding (if the work is put out for bids) and the Construction Phases of the Project, (1) SEC will not be responsible for, and CLIENT shall indemnify and hold SEC (and SEC's professional associates and consultants) harmless from all claims, damages, losses and expenses including attorneys' fees arising out of, or resulting from, any interpretation, clarification, substitution acceptance, shop drawing or sample approval or modification of such documentation issued or carried out by CLIENT or others and (2) the CLIENT assumes all responsibility for interpretation of the contract documents and for construction observation. Nothing contained in this paragraph shall be construed to release SEC (or SEC's professional associates or consultants) from liability for failure to perform in accordance with professional standards any duty or responsibility which SEC has undertaken or assumed under this Agreement.

Neither the professional activities of SEC, nor the presence of SEC or its employees and subconsultants at a construction site, shall relieve the General Contractor of its obligations, duties and responsibilities including, but not limited to, construction means, methods, sequence, techniques or procedures necessary for performing, superintending and coordinating the Work in accordance with the contract documents and health or safety precautions required by regulatory agencies. SEC and its personnel have no authority to exercise control over construction contractor or its employees in connection with their work or health or safety programs or procedures. The CLIENT agrees that the General Contactor shall be solely responsible for jobsite safety, and warrants that this intent shall be carried out in the CLIENT's contract with the General Contractor. The CLIENT also agrees that the CLIENT, SEC and SEC's subconsultants shall be indemnified by the General Contractor and shall be made additional insured under the General Contractor's polices of general liability insurance.

ARTICLE 12 ERRORS AND OMISSIONS

SEC's services shall be provided consistent with and limited to the standard of care applicable to such services, which is that Consultant shall provide its services consistent with the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances or similar locality. If, after the construction has begun, an error or omission is discovered and the item can still be provided in the sequence of construction without premium cost to the CLIENT, the CLIENT agrees to pay for this item as if it had been included in the original construction documents. If this error or omission is discovered out of sequence with the construction timetable, then SEC will pay for the premium cost to have this item corrected or included, with the CLIENT paying for the item's basic cost as if it had been included in the original documents. If the premium cost falls below 2% of the defined construction cost, then the entire premium cost shall be the responsibility of the CLIENT. This premium cost concept for errors and omissions is not applicable if the CLIENT chooses not to employ SEC during construction phase services per Article 11 above. To the maximum extent permitted by law, the CLIENT agrees to limit SEC's liability for the CLIENT damages to the sum of $50,000 or SEC's fees, whichever is greater. This limitation shall apply regardless of the cause of action or legal theory pled or asserted.

ARTICLE 13 INSURANCE

SEC maintains insurance coverage including Workman's' Compensation Insurance, Employer's Liability Insurance, Commercial General Liability Insurance, Automobile Liability Insurance and Professional Errors and Omission (E&O) liability coverage for the period of design and construction of the Project and for a period of three (3) years following substantial completion, if such coverage is reasonably available at commercially affordable premiums. Certificates of Insurance will be furnished upon request.

ARTICLE 14 ALTERNATIVE DISPUTE RESOLUTIONS

The Client and SEC hereby waive any and all rights to file legal actions in the courts of the State of Tennessee or any other Federal or state court. However, suits filed by SEC against Client for the nonpayment of any bill for services provided by SEC, Inc shall be expressly exempted here from.

The parties or any successors shall endeavor to resolve any controversy or claim arising out of or relating to this agreement, as to services rendered by SEC or otherwise, by mediation, unless both SEC and the Client shall mutually agree otherwise. Said mediation shall be in accordance with the Commercial Mediation Rules (or most appropriate rules of Mediation of the American Arbitration Association applicable to the controversy or claim as decided by said Association) of the American Arbitration Association currently in effect. A Request for mediation shall be in writing and shall be delivered by mail to the other party.

The request may be made concurrently with the filing of a demand for arbitration, but in such event, mediation shall proceed in advance of arbitration or legal or equitable proceedings, which shall be stayed pending mediation for a period of 60 days from the date of the mailing of the demand, unless stayed for a longer period by agreement of the parties or court order.

Any controversy or claim not resolved by mediation shall be decided by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, (or most appropriate rules of Arbitration of the American Arbitration Association applicable to the controversy or claim as decided by said Association), and judgment on the award rendered by the arbitrators(s) may be entered and enforced in any court having jurisdiction thereon.

The direct expense of any mediation or arbitration proceeding shall be borne equally by the Client and SEC. Each Party shall bear its own counsel fees. If possible any mediation or arbitration proceeding shall be held in Murfreesboro, Tennessee. Notwithstanding either shall be entitled to seek injunctive or other equitable relief, as a means of protecting any interests or right, from any court of competent jurisdiction, until such time as the mediation or arbitration proceeding can be held.

ARTICLE 15 INDEMNIFICATIONS

In addition, and notwithstanding any other provisions of this Agreement, the CLIENT agrees, to the fullest extent permitted by law, to indemnify and hold harmless SEC, Inc. the legal entity and its directors, officers, employees, agents, shareholders, their families, heirs, and assigns, and subconsultants (collectively, SEC) against all damages, liabilities or costs including reasonable attorneys' fees and defense costs, arising out of or in any way connected with this Project or the performance by the parties above named for the services under this Agreement, excepting only those damages, liabilities or costs attributable to the negligent acts or negligent failure to act by SEC.

If any Force Majeure Event renders SEC's performance impossible or impracticable, SEC, Inc. has the right to terminate performance under this Agreement consistent with any termination requirements that might exist in this Agreement. Upon occurrence of a Force Majeure Event, SEC, Inc. will notify the Client within a reasonable time that a Force Majeure Event has occurred and its anticipated impact on SEC's performance, including its expected duration. SEC Inc. will use reasonable efforts to mitigate the impact of any Force Majeure Event on the SEC's ability to perform under this Agreement.

WITNESSETH

WHEREAS, the parties wish to execute this addendum to the Agreement for the purposes of substituting, clarifying or inserting certain terms of or into their original Agreement executed on the _____ day of June, 20 26; and

WHEREAS, the terms of this addendum to the Agreement shall take precedence over all other terms, conditions or language to the contrary or in conflict with the language contained in the Agreement; however, any term or clause not modified by the provisions herein shall be governed by the original agreement. The parties agree that this addendum shall not be construed to create any ambiguity, it being the expressed intent of the parties that this addendum shall control;

THEREFORE, In consideration of using Vendor's form Agreement, the mutual promises set out herein, and other good and valuable consideration, the sufficiency of which is hereby acknowledged by Vendor the parties hereto agree to the following:

1. VENUE: The parties agree that venue for any legal or other dispute arising under the terms of the original agreement or this addendum to agreement shall lie exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial;

2. CHOICE OF LAW: The Agreement shall be deemed to be entered into under Tennessee law, and the rights and obligation of the parties are governed by the laws of the State of Tennessee, without regard to its conflict of laws principles, and all obligations of the parties are performable in Smyrna, Tennessee.

3. INDEMNIFICATION: The parties hereto agree that Vendor shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Vendor in the performance of their obligations under the terms of the original agreement or this addendum to agreement and Vendor agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private or public entities and, therefore, prohibits an agreement by the Town to indemnify a third party or agree to a limitation of liability provision. Any indemnity or hold harmless provision contained in the Agreement requiring the Town to indemnify or hold harmless Vendor or any other person or entity or any limitation of liability in favor of Vendor shall be deemed null, void and unenforceable against the Town under any and all circumstances.

4. NON-APPROPRIATION: Vendor acknowledges that the Town is a governmental entity, and the validity of the Agreement is based upon the availability of public funding under its authority. In the event the Town fails to appropriate funds or make monies available for any fiscal year covered by the term of the Agreement for services to be provided, the Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to the Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Vendor shall be returned to the Town.

5. TAX EXEMPTION: As a tax-exempt entity, the Town shall not be responsible for sales or use taxes incurred for products or services. Vendor shall bear the burden of providing its suppliers with a copy of the Town's tax exemption certificate and Vendor shall assume all liability for such taxes, if any, that should be incurred.

6. NO ATTORNEY'S FEES: The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Vendor may incur due to breach of the original agreement or this addendum agreement by either party; and further, The Town shall not acquiesce to any term of the original contract/agreement that indicates or infers The Town may or shall be responsible for the fees of another party or the Vendor's attorney fees.

7. MEDIATION; NO ARBITRATION: The Town may, at its option, require the attempted resolution of any dispute arising under the original contract or this addendum to agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Vendor shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Vendor of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Vendor may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties. The parties hereby further agree that, except as provided for in this addendum or by applicable law, the parties shall not be required to participate in any alternative dispute resolution process or procedure, including but not limited to arbitration and med-arb, relating to disputes that arise between the parties to the Agreement.

8. FAILURE TO PERFORM: The parties agree, in the event Vendor fails to perform any obligation, other than with regards to the date of delivery, set out in the Agreement/Contract, the Town shall be reimbursed by Vendor for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Vendor to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Vendor shall have

fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in the Agreement/Contract all deliveries shall be made to the Town no later than ninety (90) days from the date of the Agreement/Contract. The parties further agree that if Vendor, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing the Agreement/Contract, then the entire Agreement/Contract shall be voidable at the sole discretion of the Town. Should the Town elect to void the Agreement/Contract due to Vendor's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing the Agreement/Contract to meet the delivery deadline, then neither party shall be deemed to have breached the Agreement/Contract, and Vendor shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time. This provision shall take propriety over any Force Majeure Clause contained within the Agreement/Contract.

9. USE OF TOWN's LOGO OR NAME: Vendor shall not use the Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from the Town. Vendor shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of the Town.

10. WARRANTY: Vendor warrants that the product(s) herein, when used in accordance with the documentation, shall operate and conform in all material respects in conformity with this Agreement and the written representations of Vendor, including applicable user manuals and guides supplied by Vendor or with Vendor's Software. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. 8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests

to raise the bid price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

Fiscal Impact:
No fiscal impact

Contract Type:
Contract Change Order /Amendment

Contract Term (if applicable):
Extension to April 30, 2028.

Background:

Summary:
This project commenced in 2020 with NTP to NEPA Phase. NTP to Design was provided in 2022. The primary delay for the project was the water main replacement along the east side of the corridor. We also had a long period of time waiting on TDOT to approve our access management/drainage plan. Additionally, the environmental NEPA update and the lighting plans were added at the end of last year, which took some time to process.

Recommended Council Action:

EXTENSION AGREEMENT

This Agreement is made and entered into on this ____ day of _____, 20___, by and between **Sessions Paving Company** (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of Roadway Patching.

WHEREAS, pursuant to the terms of an Agreement, dated **June 11, 2024** by and between the Bidder and the Town, the Bidder agreed to provide certain products and/or services to the Town, all in accordance with the terms of the Bid Documents (as defined in the Original Agreement);

WHEREAS, pursuant to the terms of the Bid Documents, upon mutual agreement, the Original Agreement may be renewed for up to a maximum of two additional one-year periods under and upon the same price, terms, and conditions as set forth in the Bid Documents; and

WHEREAS, the parties now desire to renew the Original Agreement for an additional one-year period, in accordance with the terms set forth in the Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree to renew and extend the Original Agreement for an additional two-year period, beginning **July 1, 2026** and ending **June 30, 2027** subject to the following terms and conditions:

1. Extension of Original Agreement & Incorporation of Supporting/Related Documents: All provisions of the Original Agreement which do not conflict with a provision contained in this extension agreement, the quotation/bid for the provision of products or services previously submitted by bidder, and all terms of the invitation to submit quotations are incorporated herein by reference as if set forth at length verbatim. The original agreement shall remain in full force and effect for an additional period of one (1) year commencing on the date of expiration fixed for the original agreement.

2. Severability: This agreement constitutes the product of negotiations of the parties hereto and any enforcement hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

3. Limitation of Liability: The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to by or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

4. Warranties: The Bidder warrants to the Town that all materials and equipment furnished under this Extension Agreement will be new, unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

5. Software Deadline, Testing and Acceptance: If applicable to the Original Agreement, software provided by Bidder during any extension covered under this Extension Agreement, shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Extension Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to the Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets the Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using the Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by the Town. If the software is rejected, the Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event the Town elects to allow the Bidder to repair or replace the software, the Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

6. Use of The Town's Logo or Name: Bidder shall not use the Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from the Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of the Original Agreement or this Extension Agreement or make any statement to the media relating to the Original Agreement or this Extension Agreement without the prior written consent of the Town.

7. Indemnification: The parties hereto agree that Bidder shall indemnify the Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this Extension agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by the Town, including, but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Extension Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private or public entities and, therefore, prohibits an agreement by the Town to indemnify a third party or agree to a limitation of liability provision.

8. Non-Appropriation: Bidder acknowledges that the Town is a governmental entity, and the validity of this Extension Agreement is based upon the availability of public funding under its authority. In the event the Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Extension Agreement for services to be provided, this Extension Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to the Town, and such termination shall not be a breach of the Original Agreement or this Extension Agreement, and any unused payment made to Bidder shall be returned to the Town.

9. Tax Exemption: As a tax-exempt entity, the Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of the Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

10. Attorney Fees: The parties hereto agree that the Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of the Original Agreement or this Extension Agreement by either party; and further, the Town shall not acquiesce to any term in any document that indicates or infers the Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

11. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Extension Agreement, but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of the Original Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Extension Agreement to the contrary, any change to this Extension Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by the Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Extension Agreement.

12. Failure to perform: The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in the Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in the Agreement all deliveries shall be made to the Town no later than ninety (90) days from the date of the Agreement. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing the Agreement, then the entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void the Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing the Agreement to meet the delivery deadline, then neither party shall be deemed to have breached the Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time. This provision shall take propriety over any Force Majeure Clause contained within the Agreement.

The Town shall have thirty (30) days after receiving the written notice to terminate this Extension Agreement, and such cancellation shall not be a breach of this Extension Agreement. Bidder will refund to the Town any payment made by the Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Extension Agreement that the fee was intended to cover.

14. Mediation: The Town may, at its option, require the attempted resolution of any dispute arising under this Extension Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

15. Price Assurance: Unless specifically stated in the Agreement, the price shall be valid for the full term of the Agreement. If Bidder, specifically states, in the Agreement that he, she or it cannot honor the price for the full term of the Agreement; the Agreement is voidable at the sole discretion of the Town, if at any time during the full term of the Agreement, Bidder requests to raise the contract price. If the Town elects to void the Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

16. Confidentiality: The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Extension Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure, without regard to any provision contained in this Extension Agreement declaring information confidential. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

17. Boycott of Israel: The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-127.

18. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Extension Agreement, and each has fully participated in the negotiation and drafting of this Extension Agreement. Accordingly, this Extension Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Extension Agreement differs in any respect from any previous draft hereof.

19. Governing Law: This Extension Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

20. Choice of Forum and Venue: The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Extension Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

AGREEMENT

This Agreement is made and entered into as of this _____ day of _____, 20____, by and between _____, a _____ _____ (the "Bidder") and the Town of Smyrna, Tennessee, a Tennessee municipal corporation (the "Town") for the purpose of _____.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

18. Mediation. The Town may, at its option, require the attempted resolution of any dispute arising under this Agreement by mediation prior to the filing of any lawsuit or other claim. Should any dispute arise, Bidder shall provide the Town notice of any intent to file suit by certified mail. The Town shall notify the Bidder of its intent to exercise its right to mediation within thirty (30) days of receiving such notice. If the Town does not exercise its right to mediation, Bidder may file suit. Any mediator selected under this clause shall be agreed upon by the parties and the costs of such mediation shall be divided and paid equally between the parties.

19. No Presumption Against Drafter: The parties are both business entities having substantial experience with the subject matter of this Agreement, and each has fully participated in the negotiation and drafting of this Agreement. Accordingly, this Agreement shall be construed without regard to the rule that ambiguities in a document are to be construed against the draftsman. No inferences shall be drawn from the fact that the final, duly executed Agreement differs in any respect from any previous draft hereof.

20. Governing Law. This Agreement shall be deemed to have been executed and delivered within the State of Tennessee, and the rights and obligations of the parties shall be construed and enforced in accordance with, and governed by, the laws of the State of Tennessee. The parties agree that all obligations of the parties are performable in Smyrna, Tennessee.

21. Choice of Forum and Venue. The parties' choice of forum and venue shall be exclusively in the courts of Rutherford County, Tennessee or the United States District Court, for the Middle District of Tennessee. The parties hereby waive their right to a jury trial. Any provision of the Agreement held to violate a law or regulation shall be deemed void, and all remaining provisions shall continue in force.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date set forth above.

WHEREAS, the Bidder has submitted a quotation for the provision of certain products and/or services to the Town, all in accordance with the terms of the Invitation to Submit Quotations attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit A (the "ISQ"), and which Proposal from the Bidder is attached hereto and incorporated herein by reference as if set forth at length verbatim as Exhibit B (the "Quotation"); the ISQ and the Quotation, together with any and all ancillary documents thereto, shall be collectively referred to herein as the "Bid Documents"; and

WHEREAS, the Town now desires to accept the Bidder's quotation, in accordance with the terms set forth in such Bid Documents.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned do hereby agree as follows:

1. Acceptance of Bid Documents. The terms of the Bid Documents, as incorporated herein by reference, are hereby accepted by the parties hereto. The Bidder hereby agrees to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein. The Town hereby accepts the Bidder's quotation to provide the goods and/or services contemplated by such Bid Documents in accordance with the terms set forth therein.

2. Entire Agreement. This Agreement, including the exhibits and any other documents referred to herein or therein, which form a part hereof, contains the entire understanding of the parties with respect to its subject matter. There are no restrictions, agreements, promises, warranties, covenants or undertakings other than those expressly set forth herein or therein. This Agreement supersedes all prior written or oral agreements and understandings between the parties with respect to its subject matter and may not be altered, modified or amended, in whole or in part, except by the express written authorization and consent of the parties hereto.

3. Severability. This agreement constitutes the product of negotiations of the parties hereto and any enforcement of hereof will be interpreted in a neutral manner and not more strongly against any party based upon the source of the draftsmanship of this Agreement. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall continue to be fully effective.

4. Limitation of Liability. The Town of Smyrna shall not be liable for any loss, claim, expense or damage caused by, contributed to or arising out of the acts or omission of Bidder or third parties, whether negligent or otherwise.

5. Warranties. The Bidder warrants to the Town that all materials and equipment furnished under this Contract will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects, suitable for the purpose for which the materials and equipment are furnished, and in conformance with the Agreement. If it does not perform as warranted, Bidder shall use all commercially reasonable efforts to correct the product(s) so that it operates in all material respects in conformity with the written representations of Bidder. If Bidder cannot correct the product(s) within a reasonable period of time, Bidder shall refund the purchase price of the product(s). All work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective.

6. Software Deadline, Testing and Acceptance: If applicable to the Agreement, software provided by Bidder shall be installed for the purposes of testing, as stated herein below, no later than one hundred twenty (120) days from the effective date of this Agreement unless the parties, in writing, set a different specific date. In Addition, software provided by Bidder to The Town is subject to inspection and testing to verify that the software conforms to its written specifications and to ensure it meets The Town's needs. The Town shall have seven (7) business days after the software is installed to perform testing of the software using The Town's data. The Town shall provide Bidder with written notice of acceptance or rejection of the software five (5) business days or less after the end of the testing period. If the Town does not provide timely written notice of acceptance or rejection to Bidder, the software shall be deemed to be accepted by The Town. If the software is rejected, The Town may, at its sole discretion, either (1) return the software and receive a refund of all fees paid with respect thereto, or (2) allow Bidder to repair or replace the software, without charge, in a timely manner. In the event The Town elects to allow the Bidder to repair or replace the software, The Town shall have an additional (7) business days in which to accept or reject the software as laid out hereinabove.

7. Use of The Town's Logo or Name: Bidder shall not use The Town's name or any logo in marketing or publicity materials or for marketing or publicity purposes without the prior written authorization from The Town. Bidder shall not issue, publish, or divulge any materials developed or used in the performance of this Agreement or make any statement to the media relating to this Agreement without the prior written consent of The Town.

8. Indemnification. The parties hereto agree that Bidder shall indemnify The Town for any and all claims of negligence, tortious conduct or otherwise unlawful acts committed by Bidder in the performance of their obligations under the terms of this agreement, including any and all attachments or exhibits thereto and Bidder agrees to pay any and all costs associated with the enforcement of the terms of this indemnity agreement by The Town, including but not limited to, court costs, civil judgments, assessments or any other reasonable fees associated therewith. This clause shall survive the expiration or termination of this Agreement and shall remain in full force and effect until the expiration of any applicable statute of limitation. In addition, Article II, Section 29 of the Tennessee Constitution prohibits municipalities from lending their credit to private of public entities and, therefore, prohibits an agreement by The Town to indemnify a third party or agree to a limitation of liability provision.

9. Non-Appropriation: Bidder acknowledges that The Town is a governmental entity, and the validity of this Agreement is based upon the availability of public funding under its authority. In the event The Town fails to appropriate funds or make monies available for any fiscal year covered by the term of this Agreement for services to be provided, this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without liability to The Town, and such termination shall not be a breach of the Agreement, and any unused payment made to Bidder shall be returned to The Town.

10. Tax Exemption: As a tax-exempt entity, The Town shall not be responsible for sales or use taxes incurred for products or services. The Town shall supply Bidder with its Sales and Use Tax Exemption Certificate upon Bidder's request. Bidder shall bear the burden of providing its suppliers with a copy of The Town's tax exemption certificate and Bidder shall assume all liability for such taxes, if any, that should be incurred.

11. Attorney Fees. The parties hereto agree that The Town shall be in no event liable for any attorney's fees which Bidder may incur due to breach of this Agreement by either party; and further, The Town shall not acquiesce to any term in any document that indicates or infers The Town may or shall be responsible for the Attorney's fees of another party or the Bidder's attorney fees.

12. Boycott of Israel. The Bidder certifies that it is not currently engaged in, and covenants that it will not, for the duration of the Contract, engage in a Boycott of Israel, as that term is defined in Tenn. Code Ann. § 12-4-119.

13. Failure to perform. The parties agree, in the event Bidder fails to perform any obligation, other than with regards to the date of delivery, set out in this Agreement, the Town shall be reimbursed by Bidder for any and all expenses associated with having to obtain a new provider to finish out the contracted term, including, but in no way limited to, any charges/fees, which are above and beyond the amount the Town would have paid to Bidder to complete the same task; provided, however, that if the failure, by its nature, is one that can be cured, the Bidder shall have fifteen (15) business days after receipt of written notice from the Town to cure said failure to perform. The parties hereby agree, unless a specific date of delivery is provided in this Agreement or other bid documents, all deliveries shall be made to the Town no later than ninety (90) days from the date of order. The parties further agree that if Bidder, in good faith, is not able to meet this ninety (90) day deadline of delivery due to forces beyond his, her or its control, that were unforeseeable at the time of signing this contract, then this entire Agreement shall be voidable at the sole discretion of the Town. Should the Town elect to void this Agreement due to Bidder's good faith inability, due to forces beyond his, her or its control, and which were unforeseeable at the time of signing this Agreement to meet the delivery deadline, then neither party shall be deemed to have breached this Agreement, and Bidder shall return all monies, within seven (7) business days, paid by the Town for the products/items that could not be delivered in the allotted time.

14. Unilateral Modification of Agreement Not Permitted: Bidder may make unilateral changes to its Privacy Policy, provided any such changes are subject to the provisions of this Agreement but shall not materially alter the use of the service or reduce the level of protection provided to the Town at the time of the execution of this Agreement. Except as provided in the preceding sentence, notwithstanding anything in this Agreement to the contrary, any change to this Agreement made by Bidder that is not in writing and that is not properly executed by the signatures of authorized representatives of the parties hereto, including attestation by The Town's Clerk and approved as to form by the Town Attorney are subject to the terms and conditions of this Agreement.

15. Changes to Terms: Except as provided in Paragraph No. 13 above pertaining to Bidder's Privacy Policy, Bidder shall provide The Town written notice, sent in care of Town Attorney's Office, Smyrna, Tennessee, 315 South Lowry Street, Tennessee 37167, of any proposed change to this Agreement at least ninety (90) days prior to being effective to The Town. The Town shall have thirty (30) days after receiving the written notice to terminate this Agreement, and such cancellation shall not be a breach of this Agreement. Bidder will refund to The Town any payment made by The Town to Bidder equal to the difference between the number of months the payment was intended for and the number of months remaining on this Agreement that the fee was intended to cover.

16. Price Assurance: Unless specifically stated in this Agreement or other bid documents, the bid price shall be valid for the full term of this Agreement. If the Bidder, specifically states that he, she or it cannot honor the bid price for the full term of this Agreement; then this Agreement is voidable at the sole discretion of the Town, if at any time during the full term of this Agreement, Bidder requests to raise the bid price. If the Town elects to void this Agreement, at its sole discretion, it shall not be deemed to be a breach of the contract by either party.

17. Confidentiality. The Town, as a Tennessee Municipal Corporation is subject to the Tennessee Open Records Act, set out in T.C.A. §10-7-503 et seq; therefore, this Agreement and all documents or materials, in any format, including, but not limited to paper, electronic or virtual, that are public records pursuant to law, are not confidential and are subject to disclosure. The Town will respond to all proper Open Records Requests in the time allowed by law, without any requirement to disclose such request to Bidder or provide Bidder with notice or the time to obtain a protective order. The Town does not have the burden of establishing that information is not confidential information or that its release is authorized to release the records. This section 16 serves to meet such burden and authorization of disclosure.

Subject:
Approval of the terms of, and authorization for the Mayor to execute, a contract with the Greater Nashville Regional Council (GNRC) for transportation project planning services.

Fiscal Impact:
Not to exceed $50,000. Public Works, Engineering Services line item

Contract Type:
Original Contract

Contract Term (if applicable):
This work is anticipated to be complete within 3 months.

Background:
The Town has recently completed its Mobility Plan and Safe Streets for All Action Plan. Prioritizing these projects identified in these plans is necessary to ensure progress in improving our transportation network while aligning them with budget capacity. Town staff engaged GNRC through the Department of Transportation and Infrastructure to assist the Town on this project.

Summary:
GNRC will perform the work identified below, and attached herein, under a term contract. The contract is effective upon execution and will be for a six (6) term, with the option to renew for an additional six (6) months. A kick-off meeting will be held in early August. The Scope of Work includes the following tasks:

Task 1 (90 days). Quick Build and Operational Improvements: GNRC will identify short-term improvements or early phase work that can be made in advance of the longer-term projects. Quick builds or operational improvements provide an opportunity to address current needs while taking incremental steps towards the ultimate vision for a corridor. Recommendations will be presented in the form of maps and written guidance for linear phasing or segmentation of corridor improvements, spot improvements to address safety concerns or traffic bottlenecks, and small-scale upgrades to improve conditions for pedestrians and bicyclists. GNRC's recommendations will incorporate considerations for project cost, funding opportunities, design complexity, previously documented community support, ROW needs, facility ownership, and external agreements.

Task 2 (120 days). Project Prioritization Methods: GNRC will evaluate Smyrna's current project prioritization method to ensure that it 1) aligns with grant programs, 2) provides an opportunity for qualitative input from leaders and/or the public, and 3) incorporates quantitative metrics to help ensure that projects are prioritized based on unbiased assessment of community need. GNRC will benchmark its recommendations to its own regional prioritization process as well as, local governments from across Tennessee or the nation that are considered present-day or aspirational peers.

Recommended Council Action:
Staff recommends the Council approve the Mayor to sign this agreement.

TOWN OF SMYRNA MUNICIPAL GOVERNMENT

DAVID SANTUCCI, TOWN MANAGER DATE

Exhibit A
Scope of Services

A1. BACKGROUND

The Town of Smyrna Municipal Government (CLIENT) is a local government member of the Greater Nashville Regional Council (GNRC) which was established under TCA § 13-14-101 as a state development district, in part, to provide planning and economic development assistance to its members and the region as a whole. The CLIENT has requested technical assistance from GNRC to accelerate and optimize the recommendations contained within the *Smyrna Mobility Plan* which serves as an update to the town's Major Thoroughfare Plan and Bicycle and Pedestrian Plan. GNRC will provide the services described in Section A2. The CLIENT will provide relevant documents to GNRC, as requested, to include, but not be limited to, the *Smyrna Mobility Plan*, *Safe Streets and Roadways for All Safety Action Plan*, local traffic studies, and the most recent five-year roadway capital Improvement plan/program.

A2. WORK TASKS

Task 1. Quick Build and Operational Improvements: GNRC will identify short-term improvements or early phase work that can be made in advance of the longer-term projects. Quick builds or operational improvements provide an opportunity to address current needs while taking incremental steps towards the ultimate vision for a corridor. Recommendations will be presented in the form of maps and written guidance for linear phasing or segmentation of corridor improvements, spot improvements to address safety concerns or traffic bottlenecks, and small-scale upgrades to improve conditions for pedestrians and bicyclists. GNRC's recommendations will incorporate considerations for project cost, funding opportunities, design complexity, previously documented community support, ROW needs, facility ownership, and external agreements.

Schedule and Level of Effort

- *The budget includes approximately 330 hours of staff time for Task 1. Project kickoff is assumed to occur in early August with a first draft of deliverables presented to the CLIENT for review and comment within 90 days of project kickoff. Microsimulation modeling of proposed quick build recommendations may not be available within the first 90 days given the need for local involvement in model calibration.*

Deliverables:

- *Technical Memo on Quick Build Recommendations*

Task 2. Project Prioritization Methods: GNRC will evaluate Smyrna's current project prioritization method to ensure that it 1) aligns with grant programs, 2) provides an opportunity for qualitative input from leaders and/or the public, and 3) incorporates quantitative metrics to help ensure that projects are prioritized based on unbiased assessment of community need. GNRC will benchmark its recommendations to its own regional prioritization process as well as

local governments from across Tennessee or the nation that are considered present-day or aspirational peers.

Schedule and Level of Effort

- *The budget includes approximately 145 hours of staff time for Task 2. Project kickoff is assumed to occur in early August with a first draft of deliverables presented to the CLIENT for review and comment within 120 days of project kickoff.*

Deliverables:

- *Technical Memo on Project Prioritization Methods*

A3. BUDGET ASSUMPTIONS

The contract budget includes the following costs:

- GNRC staffing and administrative fees to perform tasks, prepare deliverables, and attend/participate in up to 2 public meetings,
- General office printing and project-related supplies,
- Small-batch printing of project-related materials,
- Local mileage for GNRC project personnel,
- All the necessary software tools to perform the scope of services, and
- Equipment and supplies for conducting fieldwork, site visits, or CLIENT meetings.

The contract fee does not include costs for the following activities:

- Fees associated with facilities used for project meetings or public workshops,
- Large quantity printings and publications of final deliverables resulting from the contract, or
- Any third-party vendors or consultants hired separately by the CLIENT for related work.

Agenda Summary

Agenda Item Number 6.a.
Department: Legal
Date: July 14, 2026

Subject:
PUBLIC HEARING: Consideration of an Ordinance amending Smyrna Municipal Code Title 20, Chapter 2, relative to the possession of firearms in town parks, as well as amendments to Title 11, Chapter 6, relative to the discharge of firearms while lawfully hunting.

Fiscal Impact:
N/A

Contract Type:

Contract Term (if applicable):

Background:
The Smyrna Municipal Code bans the possession of firearms in any park, which was previously allowed under Tennessee law. However, a judicial ruling recently held that the state statutes previously used to restrict firearms in parks and the "intent to go armed" were unconstitutional.
The Smyrna Municipal Code bans the discharge of firearms within municipal limits. A recent statutory change prevents municipalities from regulating the discharge of firearms in the course of lawful hunting, but allows municipalities to ban any discharge of firearms within 500 feet of school property.

Summary:
This update to the Municipal Code accomplishes two things:
(1). Aligns the Municipal Code with the current state of the law regarding possession of firearms in municipal parks, and
(2). It amends portions of the municipal code that prohibit the discharge of firearms within the city while lawfully hunting, which are now preempted by and impermissible under Tennessee law, while also opting into a statutory exception prohibiting the discharge of firearms within 500 feet of school property.
NOTE: . Notwithstanding the above-referenced Code amendments, anyone discharging a firearm, even when doing so while lawfully hunting, must not do so in a reckless manner that places or may place another person in imminent danger of death or serious

bodily injury. See Tenn. Code Ann. § 39-13-103; see also Op. Tenn. Att'y Gen. 98-038 (Feb. 9, 1998), Op. Tenn. Att'y Gen. 10-102 (Oct. 1, 2010). Thus, officers may enforce statutes and ordinances prohibiting unlawful conduct such as assault, aggravated assault, and reckless endangerment, even when the conduct arises from otherwise lawful hunting activities. See Tenn. Code Ann. §§ 39-13-101 - 103

Date: July 14, 2026

Subject:
PUBLIC HEARING: Consideration of an Ordinance amending the text of the Smyrna Municipal Zoning Ordinance Article III, Section 3.100 regarding detached accessory structures.

Fiscal Impact:

Contract Type:

Contract Term (if applicable):

Background:
This Zoning Ordinance amendment was discussed at the last joint meeting of the Town Council and Planning Commission. The attached amendment was created based on that discussion and subsequent research by staff.

Summary:
This amendment would amend Article III, Section 3.100 Accessory Use Regulations to do several things. The maximum square footage allowed for detached accessory structures would be increased for most lot sizes. The area calculation would now include all floors rather than only the ground floor. The maximum height and size allowed for a structure would be tied to the height and size of the principal structure, so that no accessory structure is taller or larger than the principal structure. The maximum building footprint would also be tied to the maximum lot coverage that is already within the Zoning Ordinance. The language to be removed is struck-through in red, and the new language is highlighted in yellow. We have also included examples showing the maximum detached structure size for the various lot sizes on real world lots that lie within those ranges.

The Planning Commission reviewed this amendment and recommended approval 4 for, 0 against.

Detached Accessory Buildings

This amendment seeks to modify the existing accessory use regulations within the Municipal Zoning Ordinance to align with discussion resulting from the quarterly joint Town Council and Planning Commission meetings. The images following the proposed ordinance amendments are for illustrative purposes only and are not a part of the proposed amendments. These images demonstrate the maximum allowable scale of a single story accessory structure for each of the six designated lot size ranges under the proposed amendments.

This proposed Ordinance would make several modifications:

- Allowances: Increase the maximum square footage for detached accessory structures
- Floor Area Calculations: Shift to a cumulative square footage calculation where every floor of an accessory structure counts towards the total allowance. The current regulations only take into account the ground floor area.
- Height: Establishing a maximum height restriction tied to the height of the principal structure.
- Square Footage Cap: Mandates the cumulative floor area of all detached structures are subordinate to the principal structure.
- Buildable Area: Depending on lot size, a maximum lot coverage percentage may be built upon taking into account the ground floor area only.

The proposed text to be removed is red and struck-through with new language highlighted in yellow.

PUBLIC HEARING: Consideration of an Ordinance amending the text of the Smyrna Municipal Zoning Ordinance Article IV, Section 4.030 regarding mobile food vendors.

Fiscal Impact:

Contract Type:

Contract Term (if applicable):

Background:
This Zoning Ordinance amendment was discussed at the last joint meeting of the Town Council and Planning Commission. The attached amendment was created based on that discussion and subsequent research by staff.

Summary:
This amendment would amend Article IV, Section 4.030 G. Mobile Food Vendors. Currently, such vendors are required to get an annual permit but are restricted to only 40 days in a calendar year at any one location. They also must leave every night and can set up on property zoned C-2 and C-3.

The proposed amendments would limit such uses to property zoned C-2 and the permit would be issued for up to 30 days. The requirement to leave at the end of the day would be removed. A single location could be utilized for no more than 90 days in any calendar year. The owner of a property where a mobile food vendor wishes to set up would also be required to get a separate permit which would be valid for not more than 90 days in any calendar year. This is similar to the requirement for a property owner to obtain a permit for any transient vendor to locate on their property. The language to be removed is struck-through in red, and the new language is highlighted in yellow.

The Planning Commission reviewed this amendment and recommended approval 4 for, 0 against.

Mobile Food Vendors

This amendment seeks to modify the existing Mobile Food Vendor regulations within the Municipal Zoning Ordinance to align with discussion resulting from the quarterly joint Town Council and Planning Commission meetings. Mobile food vendors, under the present Ordinance, may sell from any property zoned C-2 or C-3 provided they leave the site nightly and do not conduct sales from any one location for more than 40 days per calendar year. Permits are also issued on a calendar year basis to the mobile food vendors.

This proposed Ordinance would make several modifications:

- Locations of Sales: Sales would be restricted to the C-2 district only, a removal of the option for sales to be conducted in the C-3 district due to lot size constraints.
- Permitting: The annual permit would be replaced by a 30 day permit. Mobile food vendors may operate all year, provided they maintain a valid and current permit. Permits are valid for one location.
- Overnight: The requirement of vendors to leave the premises nightly would be removed. Vendors may occupy one location during the extent of their 30 day permit provided all codes and safety requirements are met.
- Property Owner Permits: Similar to the transient vendor ordinance, property owners in C-2 zones must obtain a separate Property Owner Permit to host mobile food vendors, which will be required prior to any sales or display conducted on site.
- Limits: No single property owner may host a mobile food vendor for more than 90 days per calendar year.
- Enforcement: Any violation of the Zoning Ordinance or Municipal Code by a vendor may result in a citation issued to the property owner.

The proposed text to be removed is red and struck-through with new language highlighted in yellow.

Agenda Summary

Agenda Item Number 6.e.
Department: Planning
Date: July 14, 2026

Subject:
PUBLIC HEARING: Consideration of an Ordinance relative to the annexation and C-2 and I-1 zoning of properties located on Tax Map 26, Parcels 31.00 and 32.00 requested by Hollingshead Land, LLC containing 70.08 acres. The properties are located at 4657 and 4665 W. Jefferson Pike. The request would include the annexation of the existing right-of-way of W. Jefferson Pike/S.R. 266 from the existing Town limits eastward approximately 2,998 linear feet, as well as the existing right-of-way of McCormick Court from W. Jefferson Pike/S.R. 266 southward approximately 475 linear feet.

Fiscal Impact:

Contract Type:

Contract Term (if applicable):

Background:
The properties that are the subject of this request are located south of W. Jefferson Pike/S.R. 266 immediately east of I-840. The Land Use Plan for this area is the 840 Gateway character area, which would support a mix of hospitality, retail, restaurant, high density residential, and industrial/warehousing uses. The surrounding zoning is RM, CN, and LI in Rutherford County. The Town would be providing all services to this area upon annexation except for water, which would be provided by Consolidated Utility District.

Summary:
The request is for 2 parcels totaling 70.08 acres to be annexed. The front approximately 5.21 acres is requested to be zoned C-2, with the remaining 64.87 acres requested to be zoned I-1. If this annexation request is approved as requested, staff recommended and the Planning Commission concurred that the existing right-of-way of W. Jefferson Pike/S.R. 266 from the current Town limits extending eastward approximately 2,998 linear feet to the intersection of McCormick Court be annexed. In addition, staff recommended and the Planning Commission concurred that approximately 475 linear feet of the existing right-of-way of a County road named

McCormick Court from W. Jefferson Pike/S.R. 266 southward to its' terminus also be annexed. Annexation of the W. Jefferson Pike/S.R. 266 right-of-way would include the annexation of the existing traffic signals at the two interstate entrance/exit ramps. The Town has an agreement with Rutherford County for the maintenance of these signals currently in place. Extension of sanitary sewer underneath I-840 and a sewer lift station on the east side of I-840 north of W. Jefferson Pike would be required to be installed.

Access to this site is currently available from W. Jefferson Pike in two locations. One access is for a TWRA access trail that is located on the Corps property immediately to the west, and one is to these properties. There is a 50' wide access easement recorded for this property to utilize across the property immediately to the east to access McCormick Court. It is proposed by the developer that the two access points to W. Jefferson Pike be consolidated into one and that it be a right-in/right-out only. This is subject to TDOT approval. It is also proposed that all truck traffic from the industrial portion of this development would access McCormick Court. The Fire Department has a concern regarding the two access points shown for the development on the concept plan as they are too close together to meet the Fire Code. This issue would have to be addressed with the site plan submittal. A traffic study would also be required at that time, and any recommended improvements would be required to be installed by the developer. The developer's representative stated at the Planning Commission meeting that it is their desire to install a signal at McCormick Court and W. Jefferson Pike, pending TDOT approval.

The Planning Commission reviewed this request and recommended approval 4 for, 0 against, with the requirement that truck traffic utilize McCormick Court for ingress/egress.

Recommended Council Action:
Staff recommends approval.

- THE SITE DESIGN ENGINEER MUST REVIEW ELEVATIONS AND IF NECESSARY ADJUST GRADING TO ENSURE THE CHAMBER COVER REQUIREMENTS ARE MET.
- THE STORMTECH SYSTEM DEPICTED DOES NOT CONTAIN PROPER WATER QUALITY MEASURES. ABSENCE OF WATER QUALITY MEASURES CAN RESULT IN UNTREATED STORMWATER. ADS RECOMMENDS THE USE OF ISOLATOR ROW PLUS AND AN UPSTREAM HIGH FLOW BYPASS ON ALL STORMTECH SYSTEMS TO PROPERLY DIRECT THE FIRST FLUSH.
- **NOT FOR CONSTRUCTION**: THIS LAYOUT IS FOR DIMENSIONAL PURPOSES ONLY TO PROVE CONCEPT & THE REQUIRED STORAGE VOLUME CAN BE ACHIEVED ON SITE.

PLEASE NOTE:
1. THE LISTED AASHTO DESIGNATIONS ARE FOR GRADATIONS ONLY. THE STONE MUST ALSO BE CLEAN, CRUSHED, ANGULAR. FOR EXAMPLE, A SPECIFICATION FOR **#4** STONE WOULD STATE: "CLEAN, CRUSHED, ANGULAR NO. 4 (AASHTO M43) STONE".
2. STORMTECH COMPACTION REQUIREMENTS ARE MET FOR 'A' LOCATION MATERIALS WHEN PLACED AND COMPACTED IN 6" (150 mm) (MAX) LIFTS USING TWO FULL COVERAGES WITH A VIBRATORY COMPACTOR.
3. WHERE INFILTRATION SURFACES MAY BE COMPROMISED BY COMPACTION, FOR STANDARD DESIGN LOAD CONDITIONS, A FLAT SURFACE MAY BE ACHIEVED BY RAKING OR DRAGGING WITHOUT COMPACTION EQUIPMENT. FOR SPECIAL LOAD DESIGNS, CONTACT STORMTECH FOR COMPACTION REQUIREMENTS.
4. ONCE LAYER 'C' IS PLACED, ANY SOIL/MATERIAL CAN BE PLACED IN LAYER 'D' UP TO THE FINISHED GRADE. MOST PAVEMENT SUBBASE SOILS CAN BE USED TO REPLACE THE MATERIAL REQUIREMENTS OF LAYER 'C' OR 'D' AT THE SITE DESIGN ENGINEER'S DISCRETION.
5. WHERE RECYCLED CONCRETE AGGREGATE IS USED IN LAYERS 'A' OR 'B' THE MATERIAL SHOULD ALSO MEET THE ACCEPTABILITY CRITERIA OUTLINED IN TECHNICAL NOTE 6.22 "RECYCLED CONCRETE STRUCTURAL BACKFILL".

NOTES:

1. CHAMBERS SHALL MEET THE REQUIREMENTS OF ASTM F2922 (POLETHYLENE) OR ASTM F2418 (POLYPROPYLENE), "STANDARD SPECIFICATION FOR CORRUGATED WALL STORMWATER COLLECTION CHAMBERS".
2. SC-310 CHAMBERS SHALL BE DESIGNED IN ACCORDANCE WITH ASTM F2787 "STANDARD PRACTICE FOR STRUCTURAL DESIGN OF THERMOPLASTIC CORRUGATED WALL STORMWATER COLLECTION CHAMBERS".
3. THE SITE DESIGN ENGINEER IS RESPONSIBLE FOR ASSESSING THE BEARING RESISTANCE (ALLOWABLE BEARING CAPACITY) OF THE SUBGRADE SOILS AND THE DEPTH OF FOUNDATION STONE WITH CONSIDERATION FOR THE RANGE OF EXPECTED SOIL MOISTURE CONDITIONS. REFERENCE STORMTECH DESIGN MANUAL FOR BEARING CAPACITY GUIDANCE.
4. PERIMETER STONE MUST BE EXTENDED HORIZONTALLY TO THE EXCAVATION WALL FOR BOTH VERTICAL AND SLOPED EXCAVATION WALLS.
5. REQUIREMENTS FOR HANDLING AND INSTALLATION:
   - TO MAINTAIN THE WIDTH OF CHAMBERS DURING SHIPPING AND HANDLING, CHAMBERS SHALL HAVE INTEGRAL, INTERLOCKING STACKING LUGS.
   - TO ENSURE A SECURE JOINT DURING INSTALLATION AND BACKFILL, THE HEIGHT OF THE CHAMBER JOINT SHALL NOT BE LESS THAN 2".
   - TO ENSURE THE INTEGRITY OF THE ARCH SHAPE DURING INSTALLATION, a1 THE ARCH STIFFNESS CONSTANT SHALL BE GREATER THAN OR EQUAL TO 325 LBS/FT/%. THE ASC IS DEFINED IN SECTION 8.2.b OF ASTM F2418. AND b1 TO RESIST CHAMBER DEFORMATION DURING INSTALLATION AT ELEVATED TEMPERATURES (ABOVE 73° F / 23° C), CHAMBERS SHALL BE PRODUCED FROM REFLECTIVE GOLD OR YELLOW COLORS.

PLAN NOTES

1. In Tennessee, it is a requirement per "The Underground Utility Damage Prevention Act" that anyone who engages in excavation must notify all known underground utility owners, no less than three nor more than ten working days prior of their intent to excavate. A list of these utilities may be obtained from the County Register of Deeds. Those utilities that participate in the Tennessee One-Call system can be notified by calling toll free 1-800-351-1111.
2. Underground utilities shown were located using available above ground evidence, and also from information obtained from the respective utility companies. The existence or non-existence of the utilities shown and any other utilities which may be present on this site or adjacent sites should be confirmed with the utility owner prior to commencing any work.
3. Parcels may be subject to additional easements, and/or restrictions, by record or prescription, that a complete title search may reveal.
4. Public utility and drainage easements where shown hereon are intended to indicate an easement for construction, operation, and maintenance of public utilities and drainage ways; including, but not limited to, sanitary sewers, force mains, water lines, telephone signal conduits, electric conductors, drainage pipes, and natural gas lines. Easements may not have infrastructure constructed within them until some future time and there may be no notice or consultation with the individual lot Owners of this construction.
5. Per RCRPC, Will need signal plans approved by the county and TDOT prior to the preconstruction meeting.
6. Per RCRPC, the approval of this site plan does not constitute approval of any signage.
7. Per RCRPC, all above ground or underground tanks will require permitting through the Fire Marshal's Office.
8. Per RCRPC, all grease traps must have traffic rated lids & access ports.

Agenda Summary

Agenda Item Number 7.a.1.
Department: Planning
Date: July 14, 2026

Subject:
Consideration of an Ordinance relative to the rezoning of property located on Tax Map 49, Parcel 2.01 owned by Woods Properties containing 2 acres from R-1 to C-2. The property is located at 10510 Old Nashville Highway.

Fiscal Impact:

Contract Type:

Contract Term (if applicable):

Background:
The property that is the subject of this request is located at 10510 Old Nashville Highway, approximately 500 feet northwest of the intersection with Pioneer Drive/Stewart Vally Drive. The Land Use Plan would support Medium Density Residential development in this immediate area, with nearby areas being located within the Old Nashville Corridor character area which would support a mix of neighborhood scale retail uses and personal services that provide markets for local customers. Townhomes, attached residential development, and other multifamily uses are also appropriate. The surrounding zoning is R-1, C-2, and PRD (Villas at Stewartsboro).

Summary:
There is an existing house and detached accessory structure on this property. A sewer line is stubbed into the property from the northwest in two locations. Water is provided by Consolidated Utility District. If this rezoning is approved, a Type C buffer would be required where this property borders residentially zoned properties when it is developed.

The Planning Commission reviewed this request and recommended approval 7 for, 0 against.

Recommended Council Action:
Staff recommends approval.

Contract Term (if applicable):

Background:
The properties that are the subject of this request are located on Old Nashville Highway beginning at approximately 150 feet from the intersection with Enon Springs Road, West, and ending at approximately 980 feet from that intersection. The Land Use Plan for this area is the Old Nashville Corridor character area, which would support a mix of neighborhood scale retail uses and personal services that provide markets for local customers. Townhomes, attached residential development, and other multifamily uses are also appropriate. The surrounding zoning is R-2, R-3, R-6, C-2, and C-4.

Summary:
There are existing houses on 4 of the 7 properties. There is an existing 8" sewer line that runs through 3 of these properties. Development of these properties in a commercial manner will require an upgrade in the water service as the existing water main on the east side of Old Nashville Highway is only 2". Three of the requested properties do not meet the minimum lot size requirement in C-2 of 20,000 square feet (Parcels 27.01, 28.00, and 29.00).

The Planning Commission reviewed this request and recommended denial 7 for, 0 against.

Recommended Council Action:
Staff recommends denial.

Town of Smyrna
Town Council Meeting
Agenda Summary

Agenda Item Number 7.c.
Department: Administration
Date: July 14, 2026

Subject:
Consideration of a Resolution authorizing the photographic or electronic preservation and subsequent disposal of permanent paper records of the Town of Smyrna.

Fiscal Impact:
N/A

Contract Type:

Contract Term (if applicable):
N/A

Background:
The Town Clerk's office, Court Clerk's office, and the Human Resources department have been working with Starpoint Imaging Services to digitize their departments' respective paper records. Subsequently, each department has been in the process of customization and implementation of MCCi's LaserFiche, an Enterprise Content Management platform, in order to store and maintain said records. Starpoint will include six (6) months of physical storage of both original hard copies and digitized data at no additional cost. After six (6) months, the Town has the choice of certified destruction of the record, continued storage (for a fee), or return of the documents.

Summary:
Tenn. Code Ann. §10-7-702 authorizes the governing body of a municipality, by resolution, to dispose of any permanent paper record of the municipality when such record has been preserved by an approved photographic or electronic process in compliance with Tenn. Code Ann. §10-7-121.

The Town of Smyrna contracted with MCCi- LaserFiche and Starpoint Imaging Services on February 10, 2026, and is nearing completion of the digitization portion of the project in order to import the electronic record to LaserFiche for future preservation. Once all records have been properly digitized and quality control checked, each office seeks authorization for the continued photographic or electronic preservation and subsequent disposal of permanent paper records in order to automate and optimize business processes.

Recommended Council Action:

Staff recommends authorization, by resolution, to dispose of any permanent paper record of the municipality when such record has been preserved by an approved photographic or electronic process in compliance with Tenn. Code Ann. §10-7-121.
